

Promoting healthier mentorship in STEM

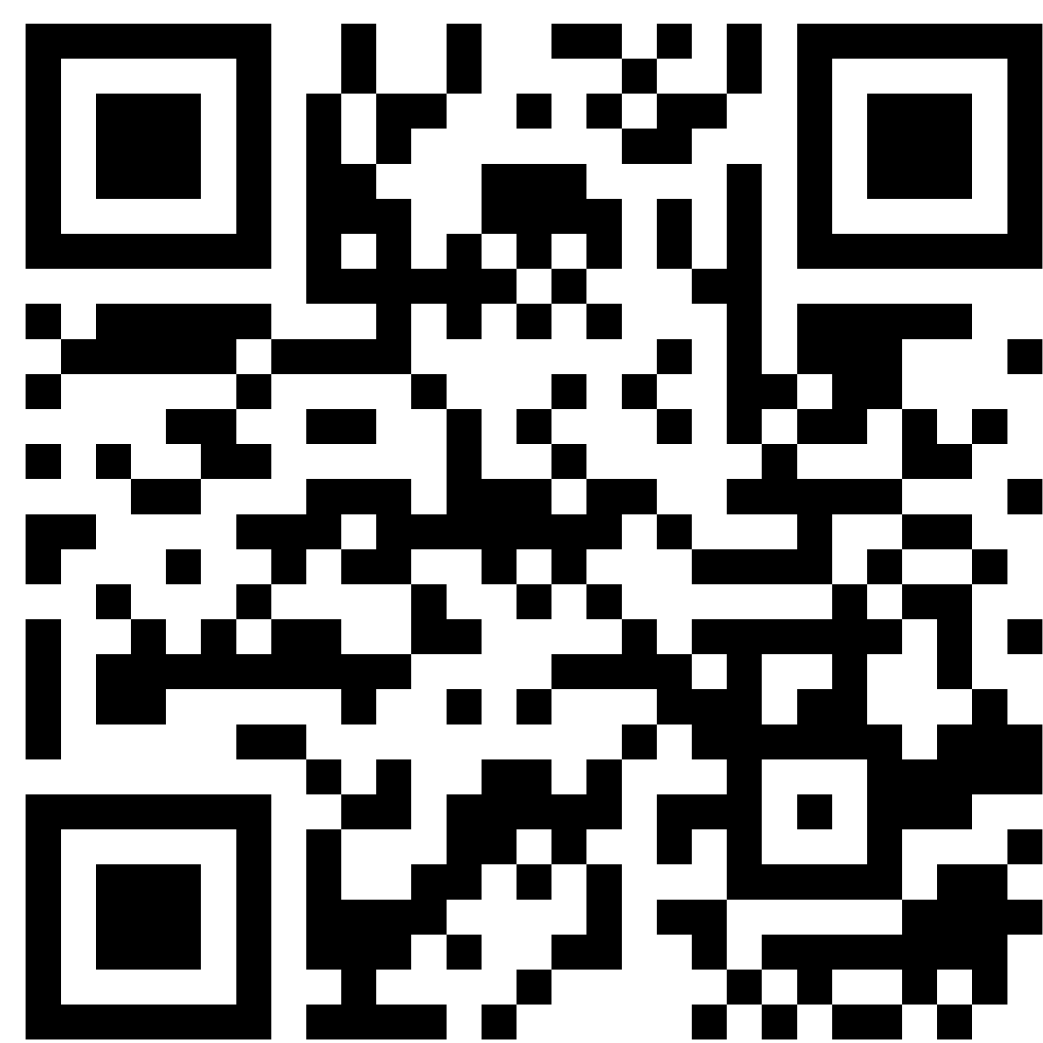

Secret Society of Mentors

Who we are:

We aim to provide space for graduate students to come together and co-create a supportive environment to explore challenges and share strategies for effective mentoring.

Join our mailing list and connect
with other mentors!

ssm-group@ucsc.edu

Here is how you
can support us!

Our efforts this past year include:

Workshop 1

- Improving communication skills
- Setting goals with mentees
- Shared resources (mentor-mentee agreement plans, Individual Development Plans)

UC SANTA CRUZ | Genomics
Institute
Diversity, equity and inclusion committee

Workshop 2

- Enhancing belonging for mentees within STEM
- Handling impostor syndrome
- Shared resources on retention and belonging within STEM
