

Overall transMap Coverage

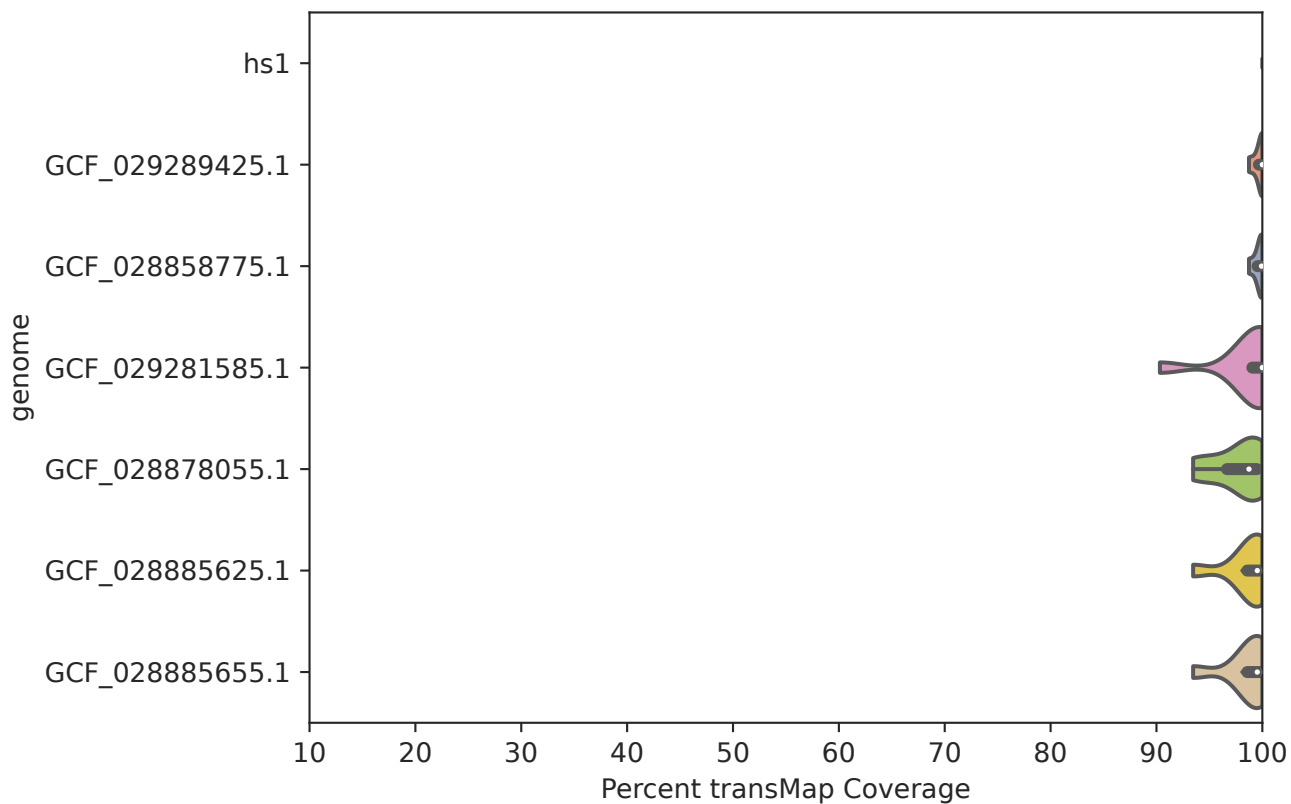

transMap Coverage for biotype protein_coding

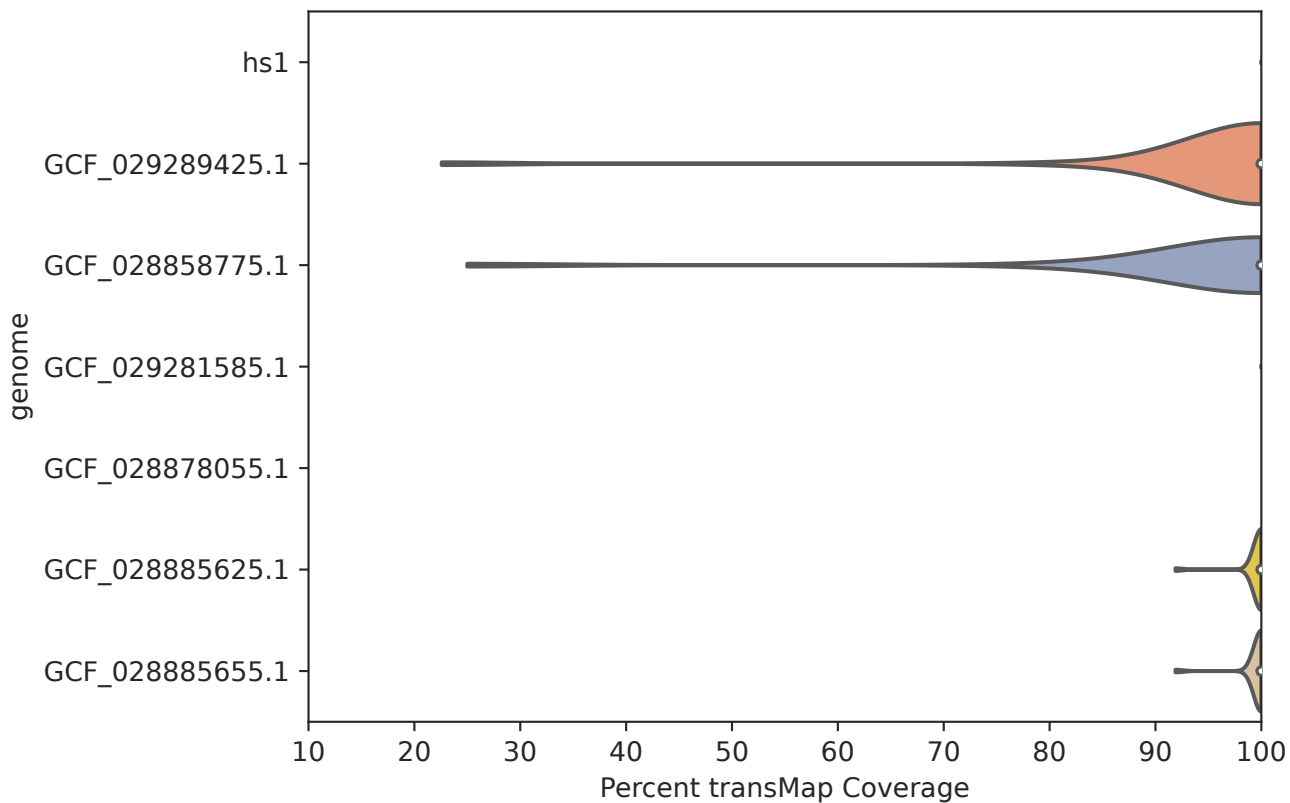

transMap Coverage for biotype IG_C_gene

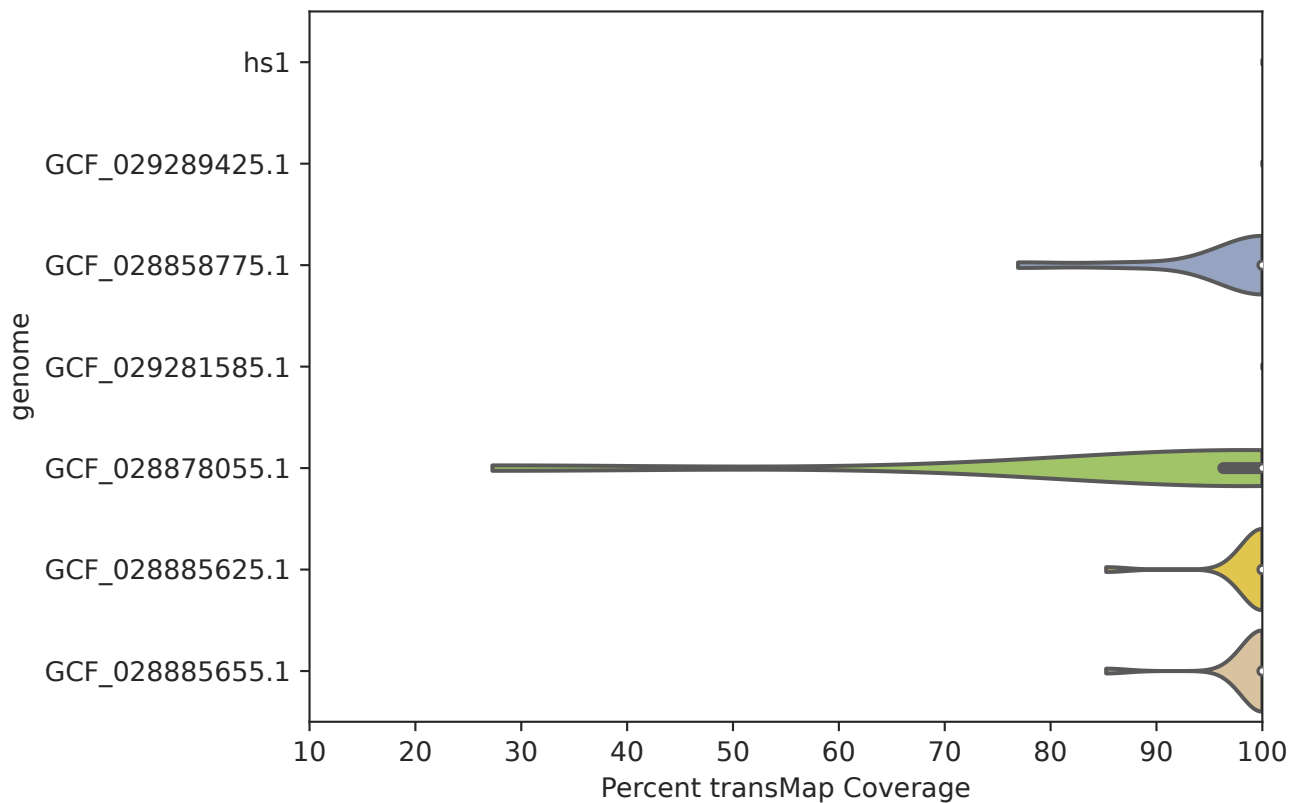

transMap Coverage for biotype IG_C_pseudogene

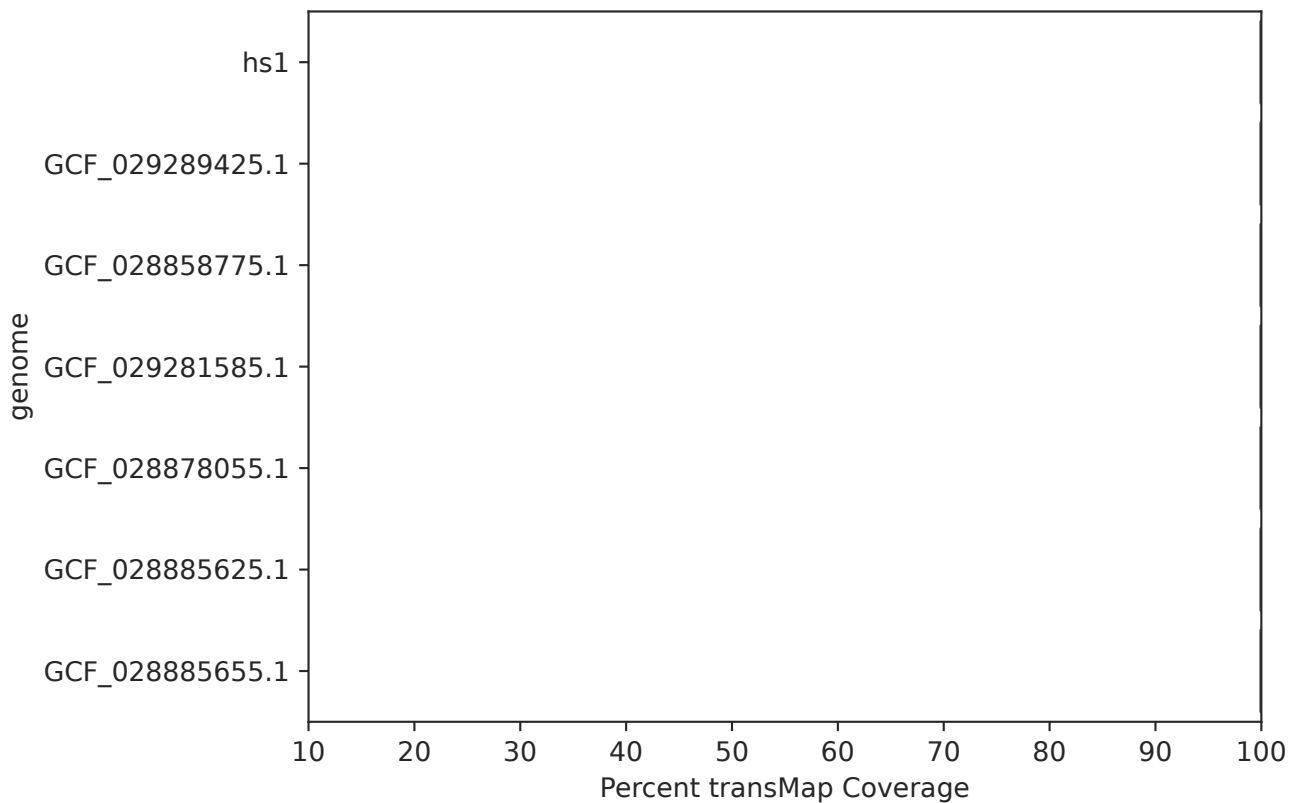

transMap Coverage for biotype IG_D_gene

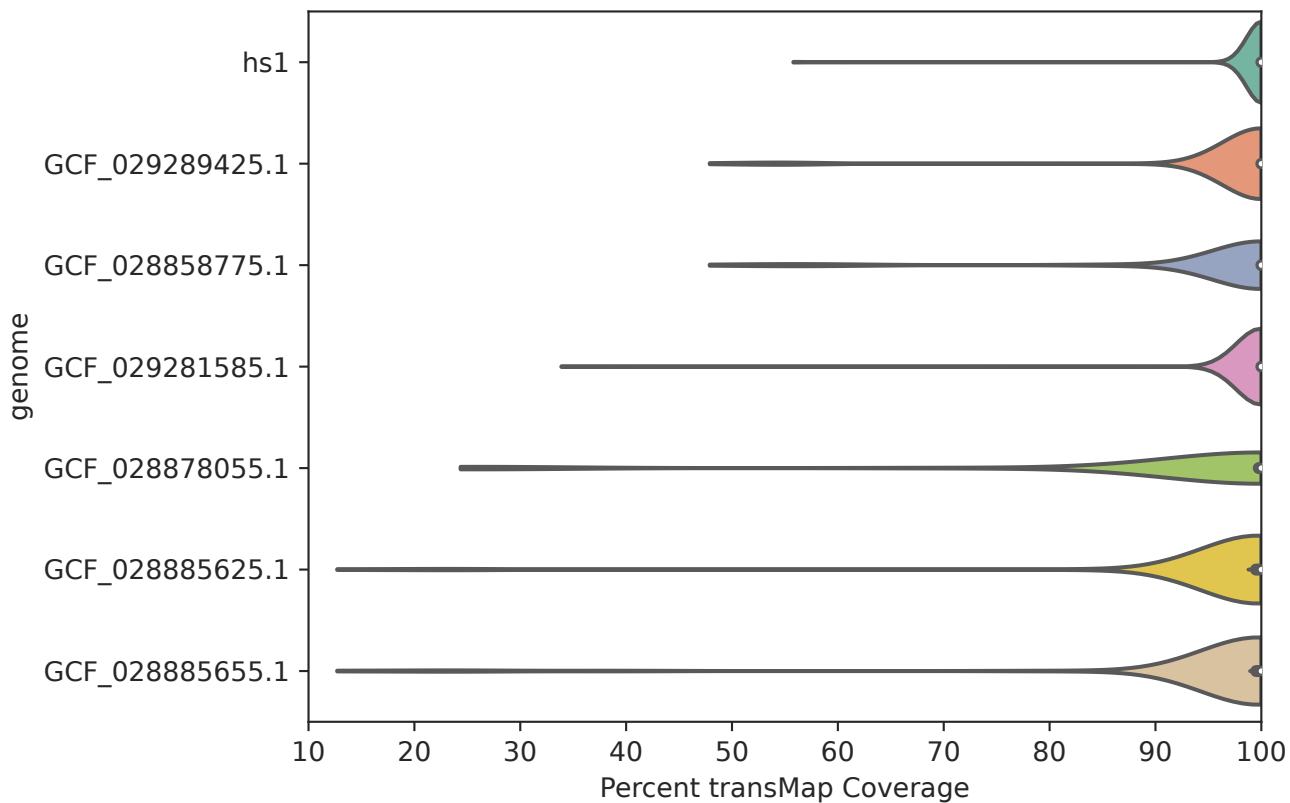

transMap Coverage for biotype IG_J_gene

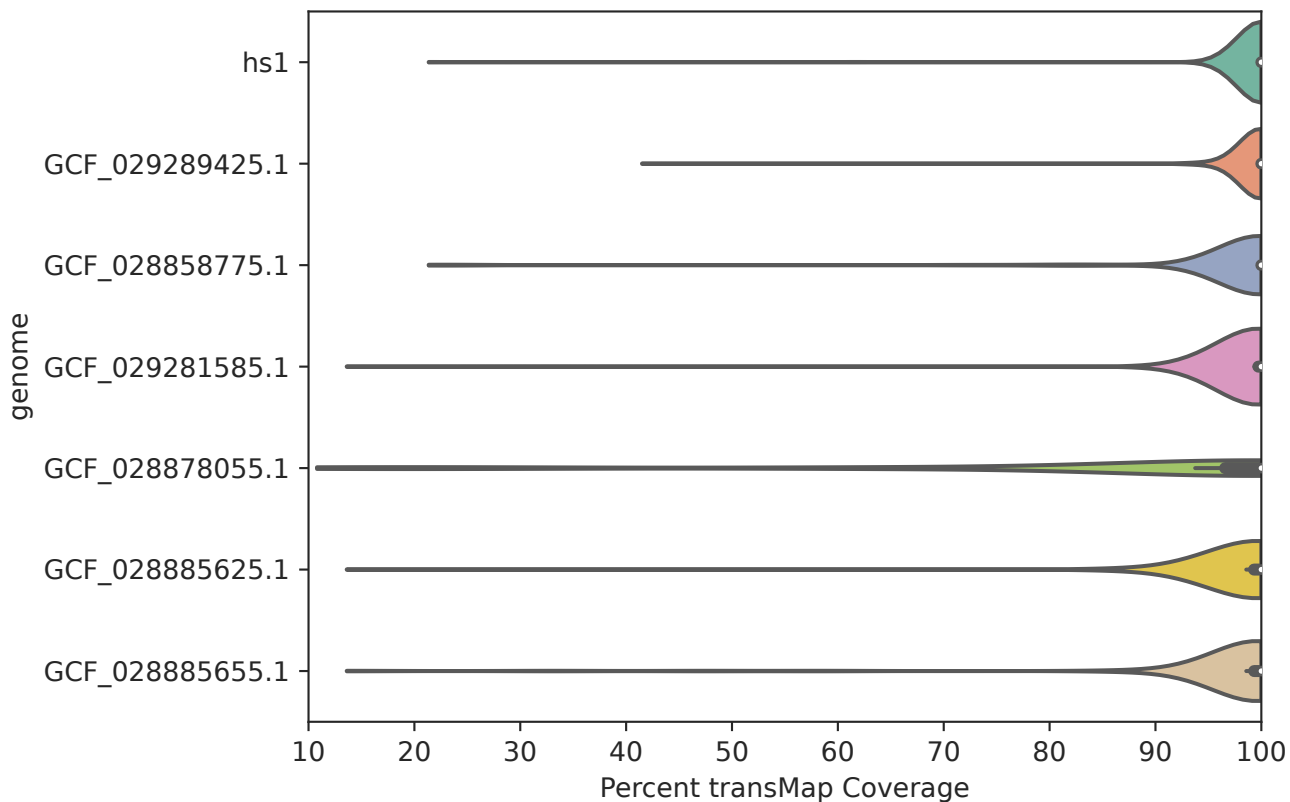

transMap Coverage for biotype IG_J_pseudogene

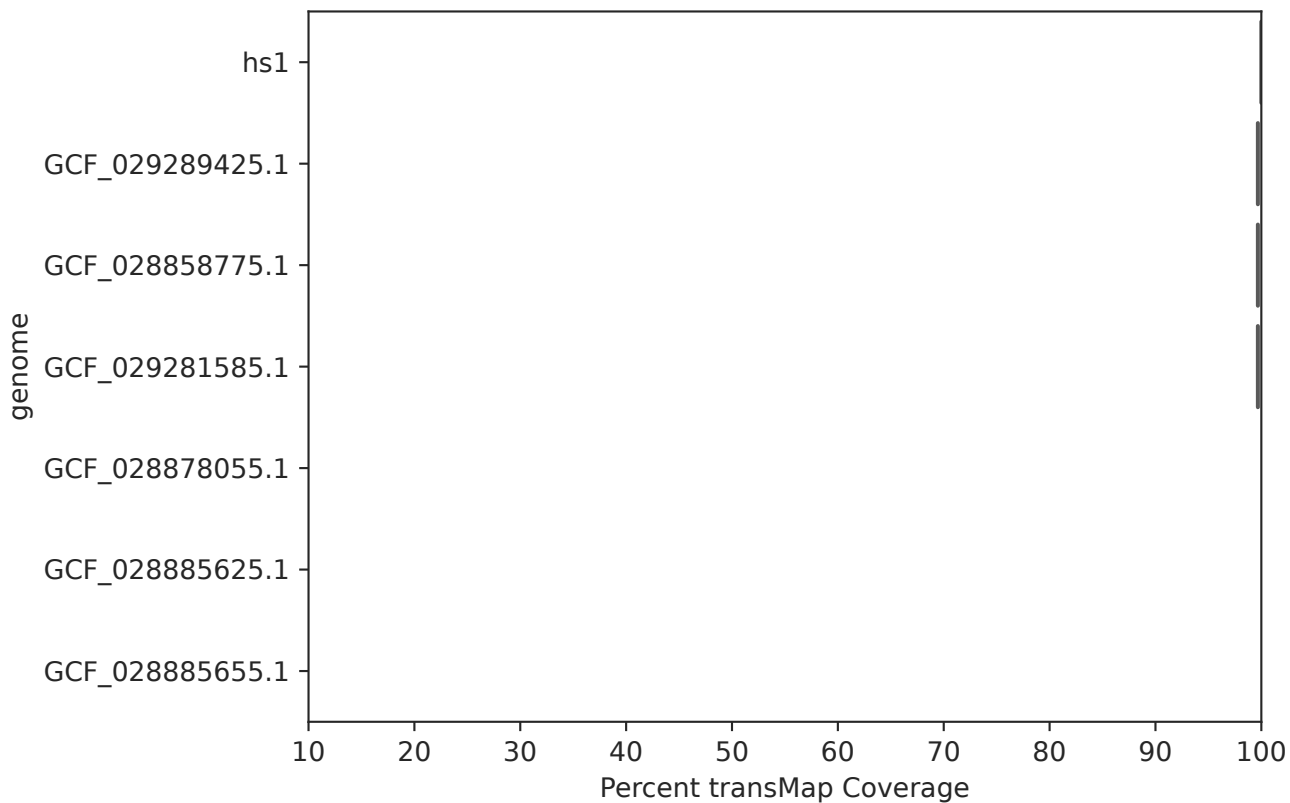

transMap Coverage for biotype IG_V_gene

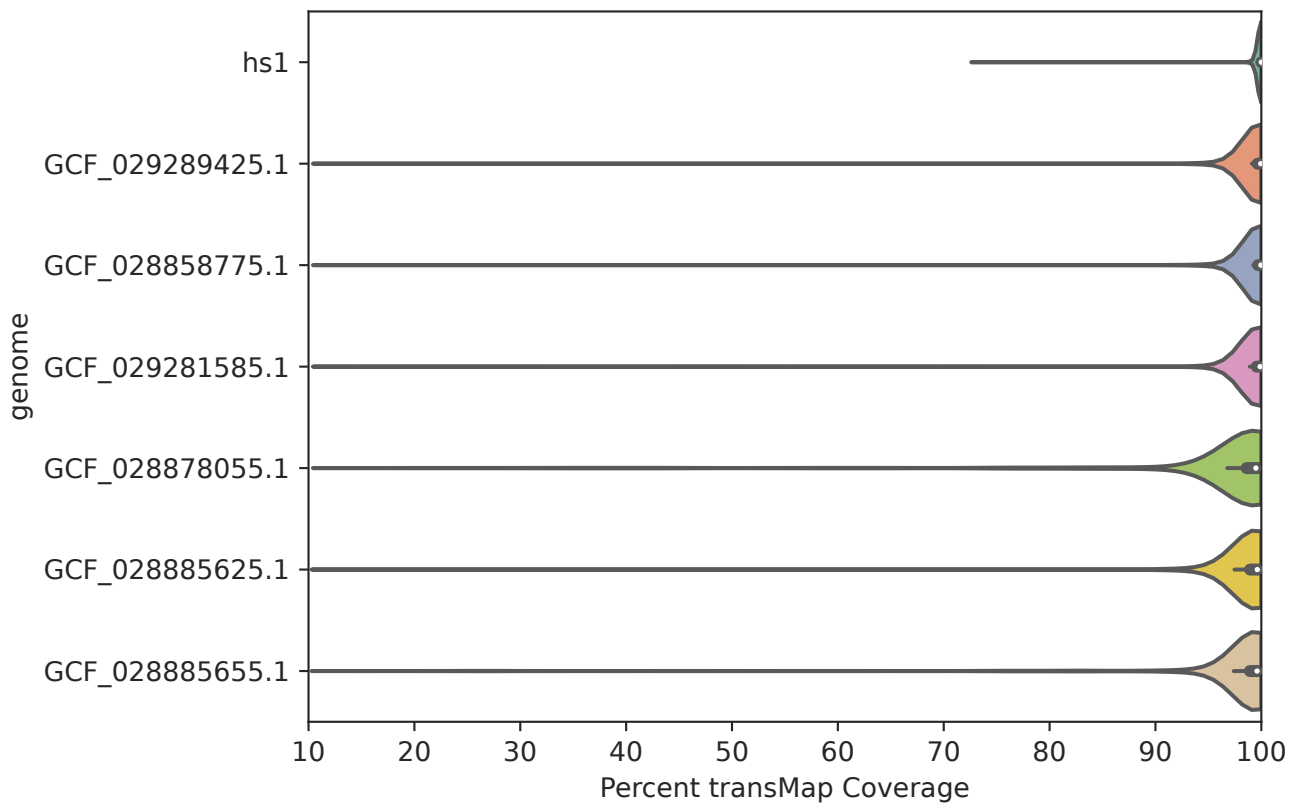

transMap Coverage for biotype IG_V_pseudogene

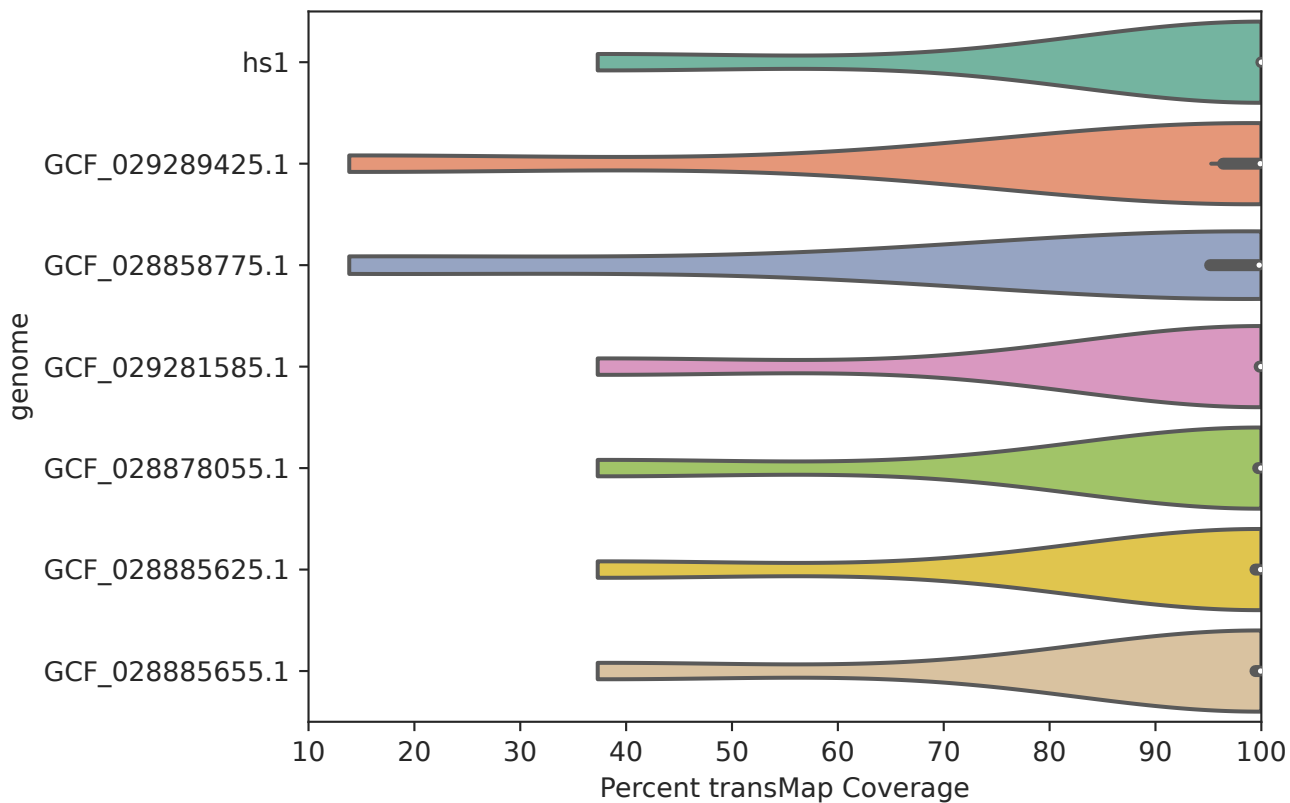

transMap Coverage for biotype IG_pseudogene

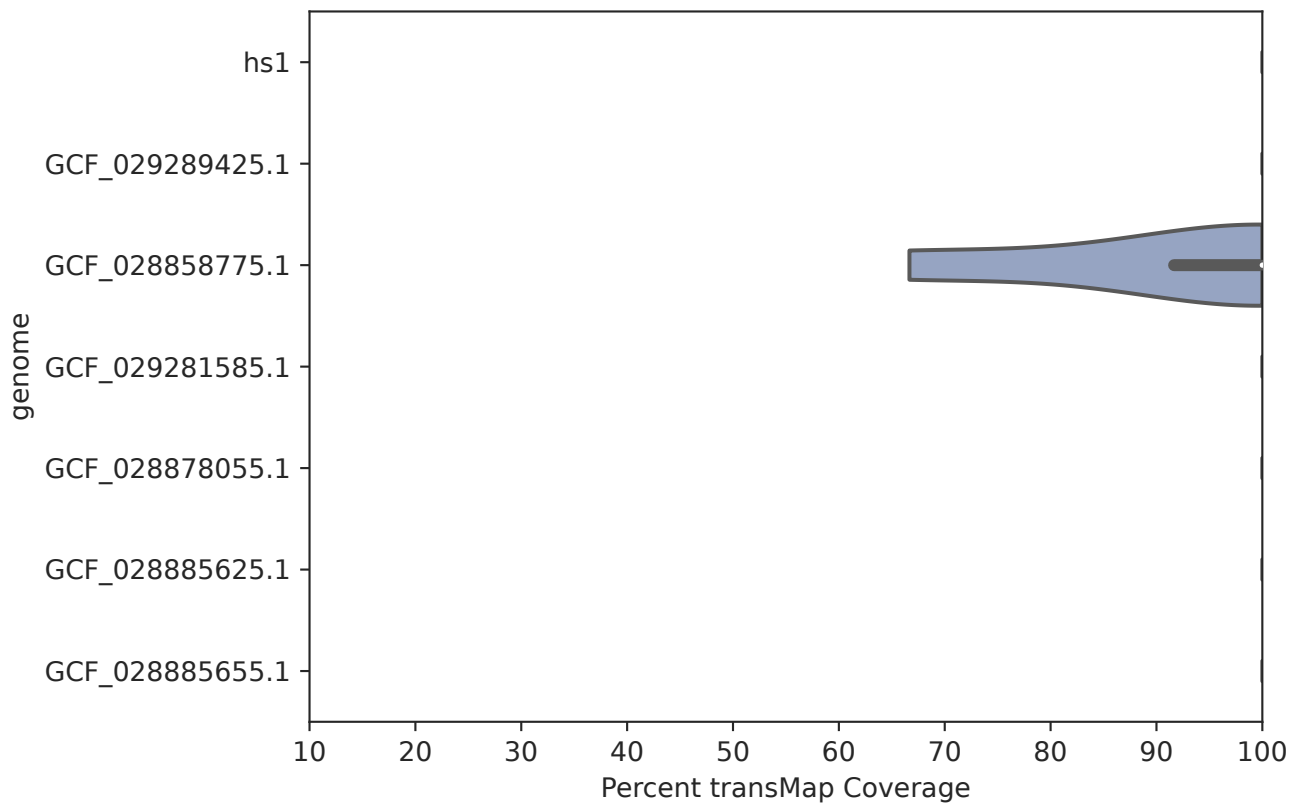

transMap Coverage for biotype TEC

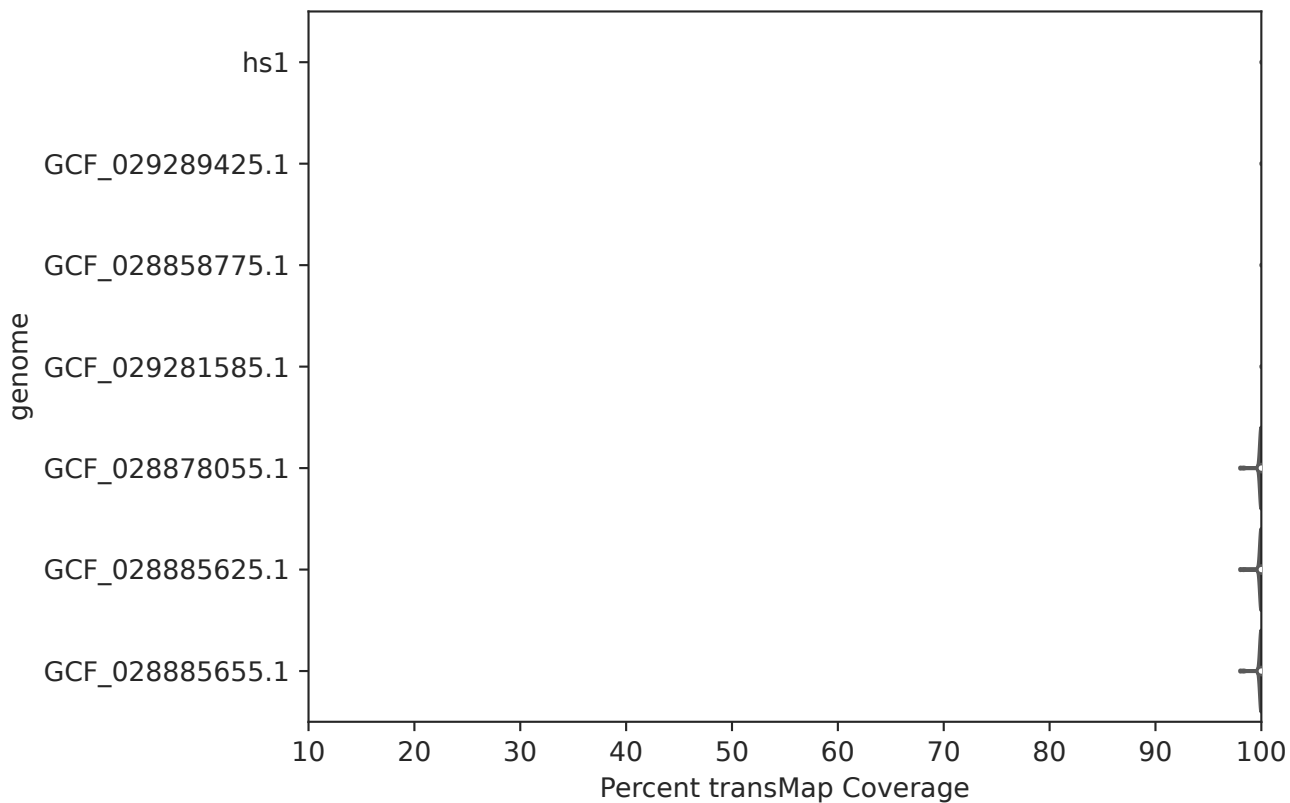

transMap Coverage for biotype TR_C_gene

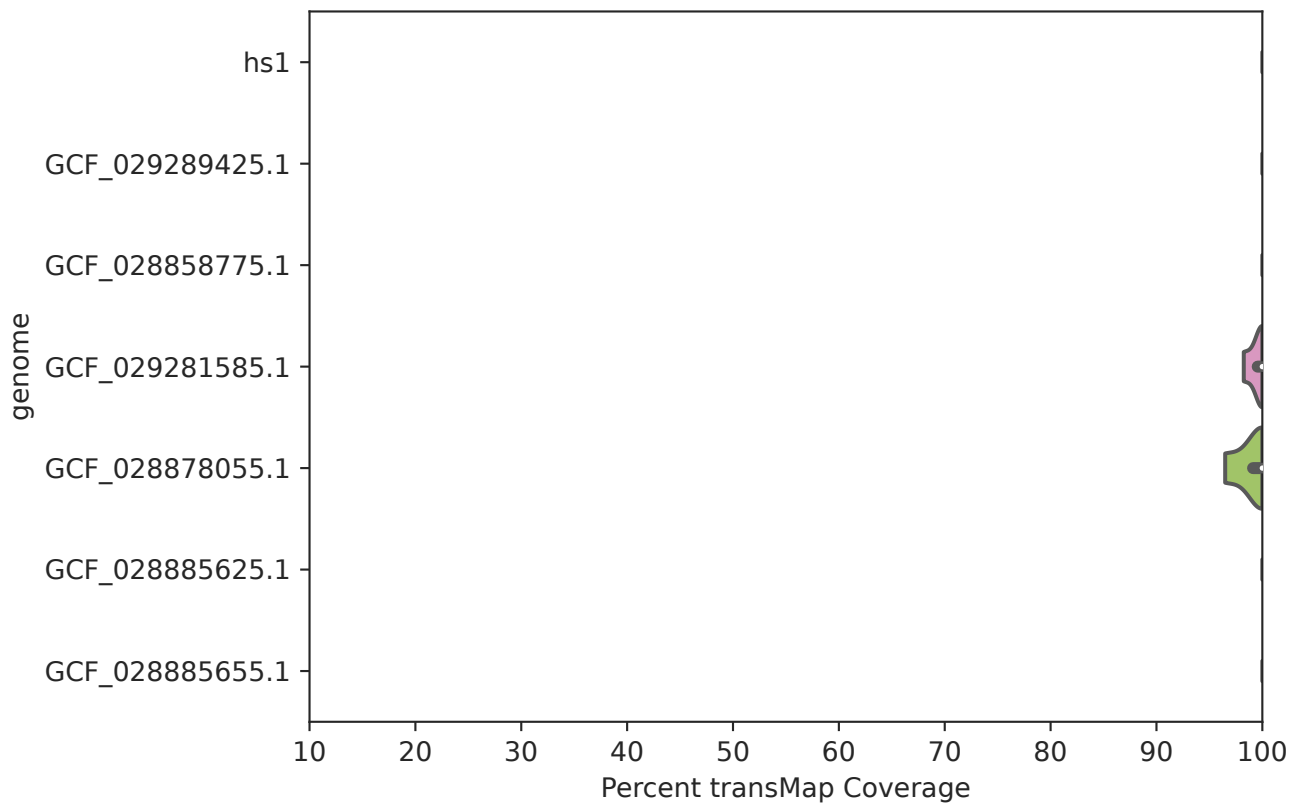

transMap Coverage for biotype TR_D_gene

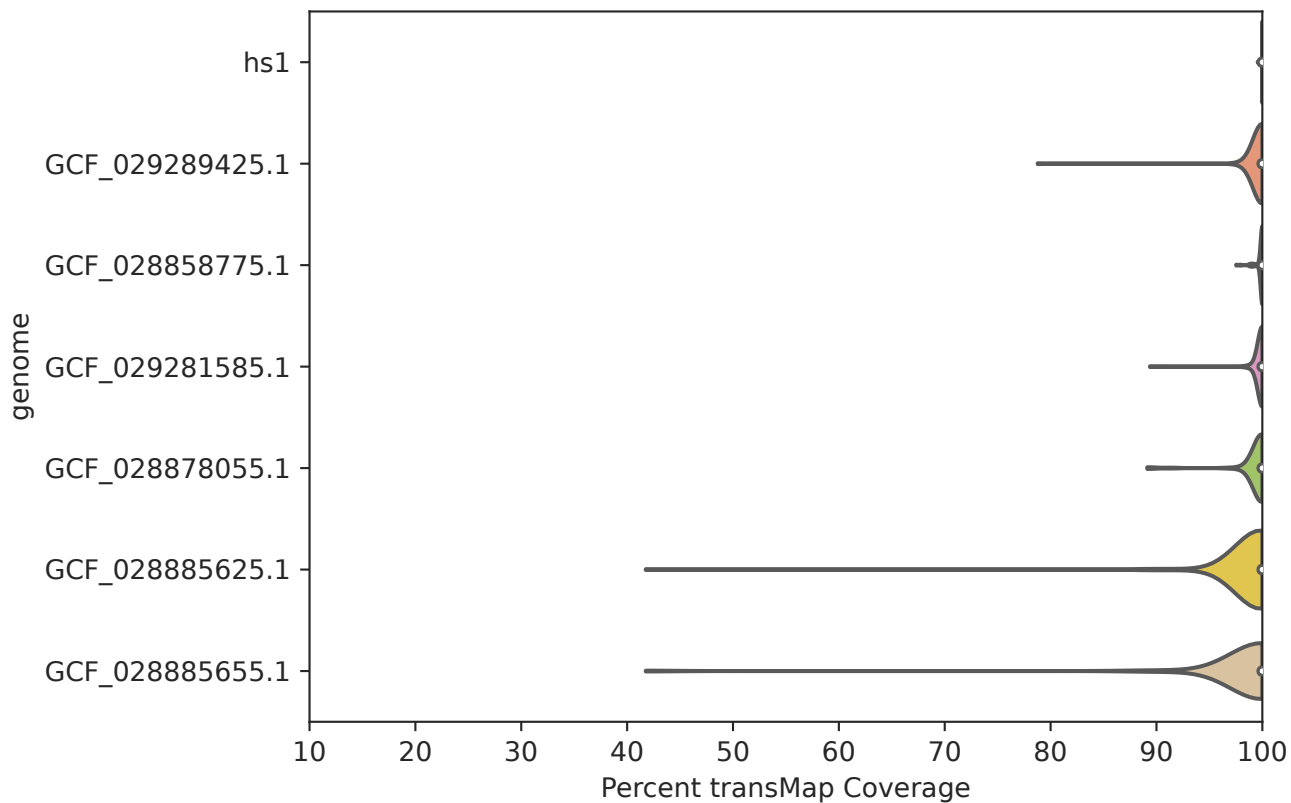

transMap Coverage for biotype TR_J_gene

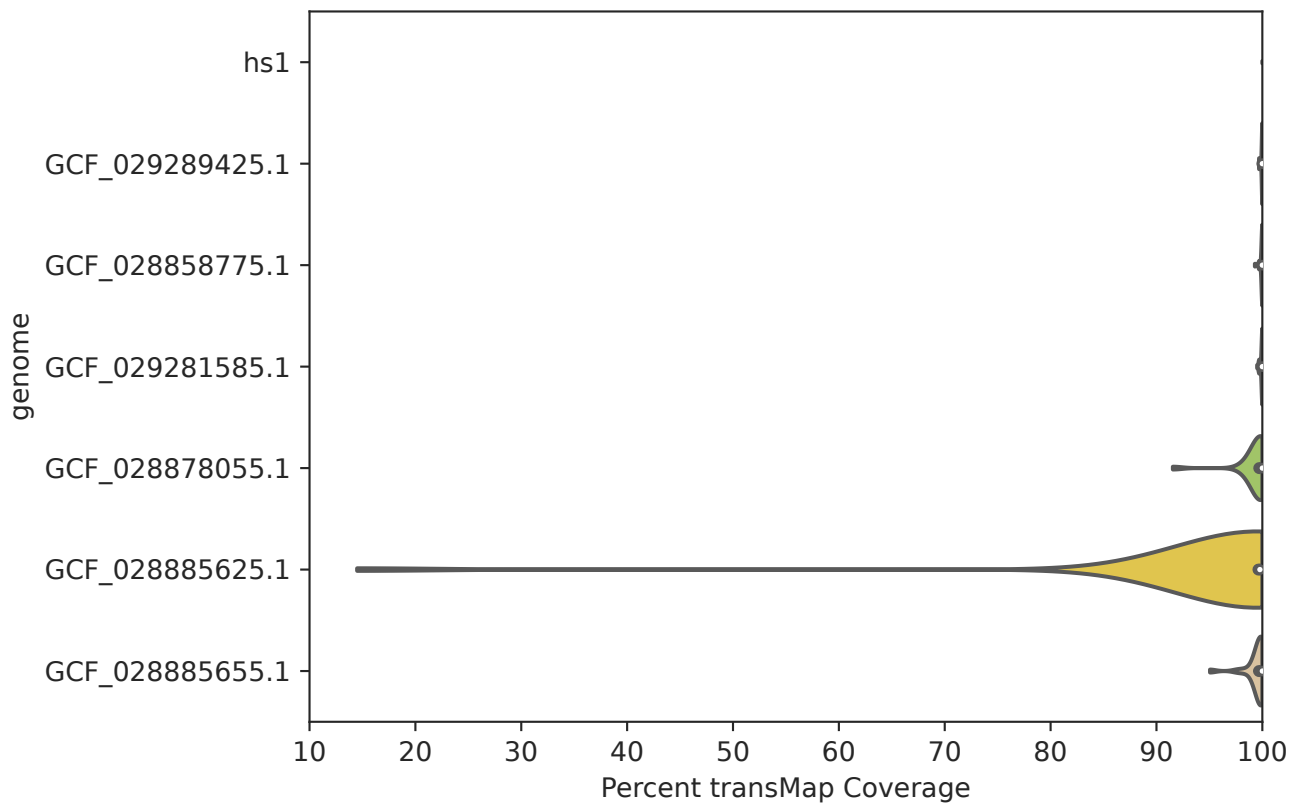

transMap Coverage for biotype TR_J_pseudogene

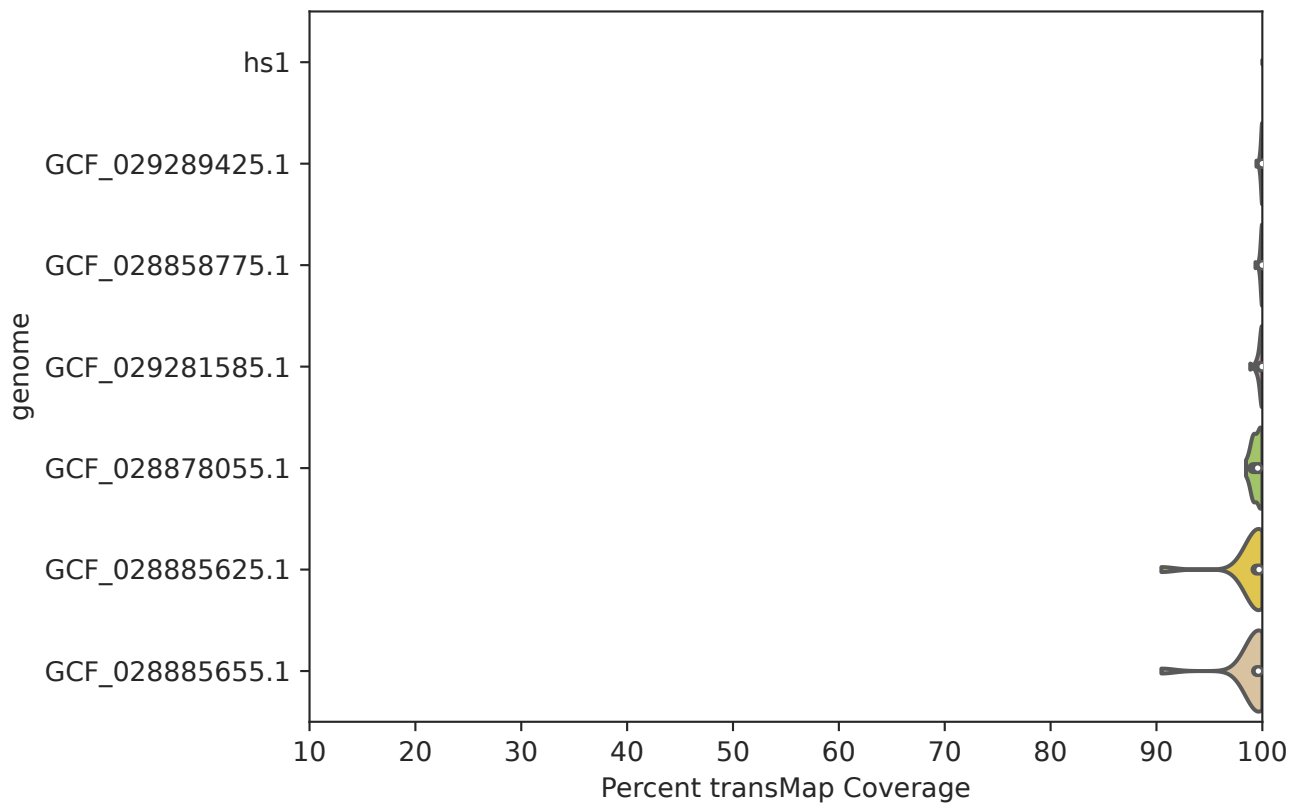

transMap Coverage for biotype TR_V_gene

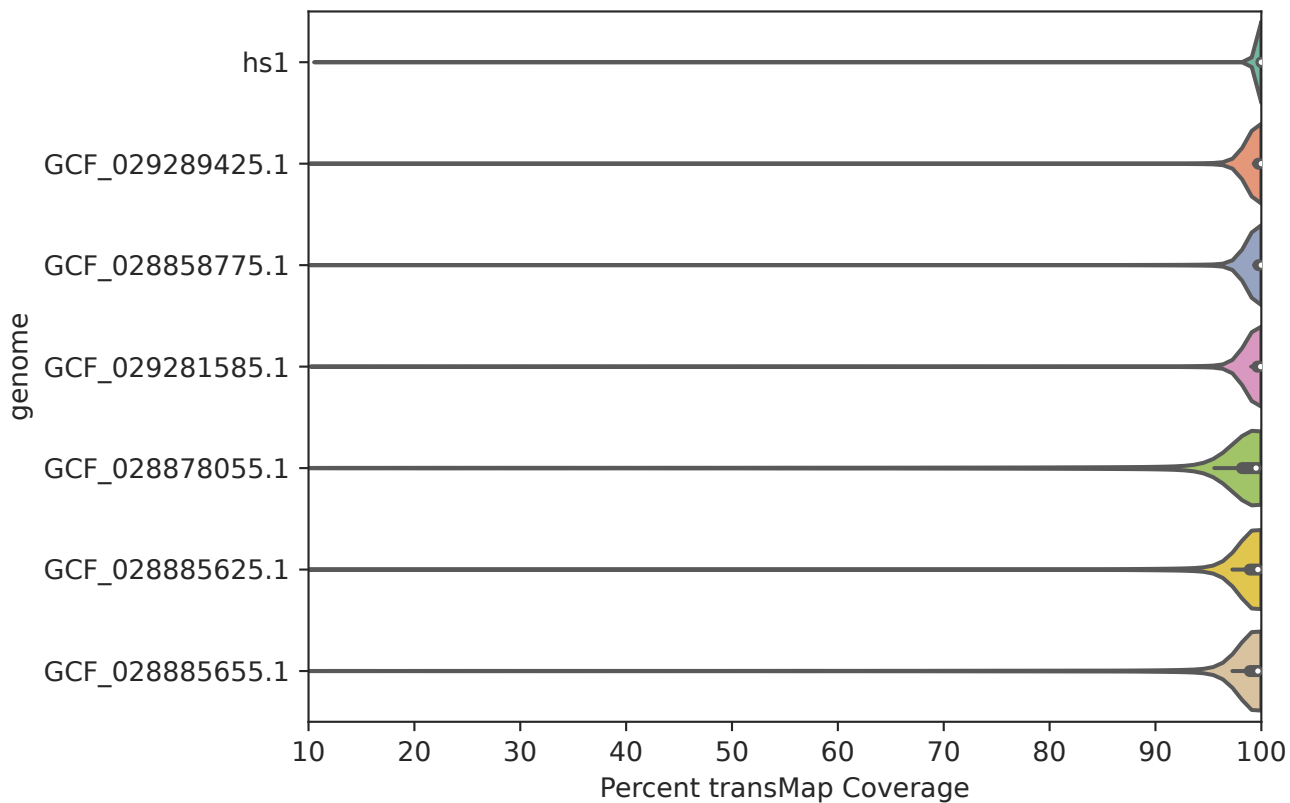

transMap Coverage for biotype TR_V_pseudogene

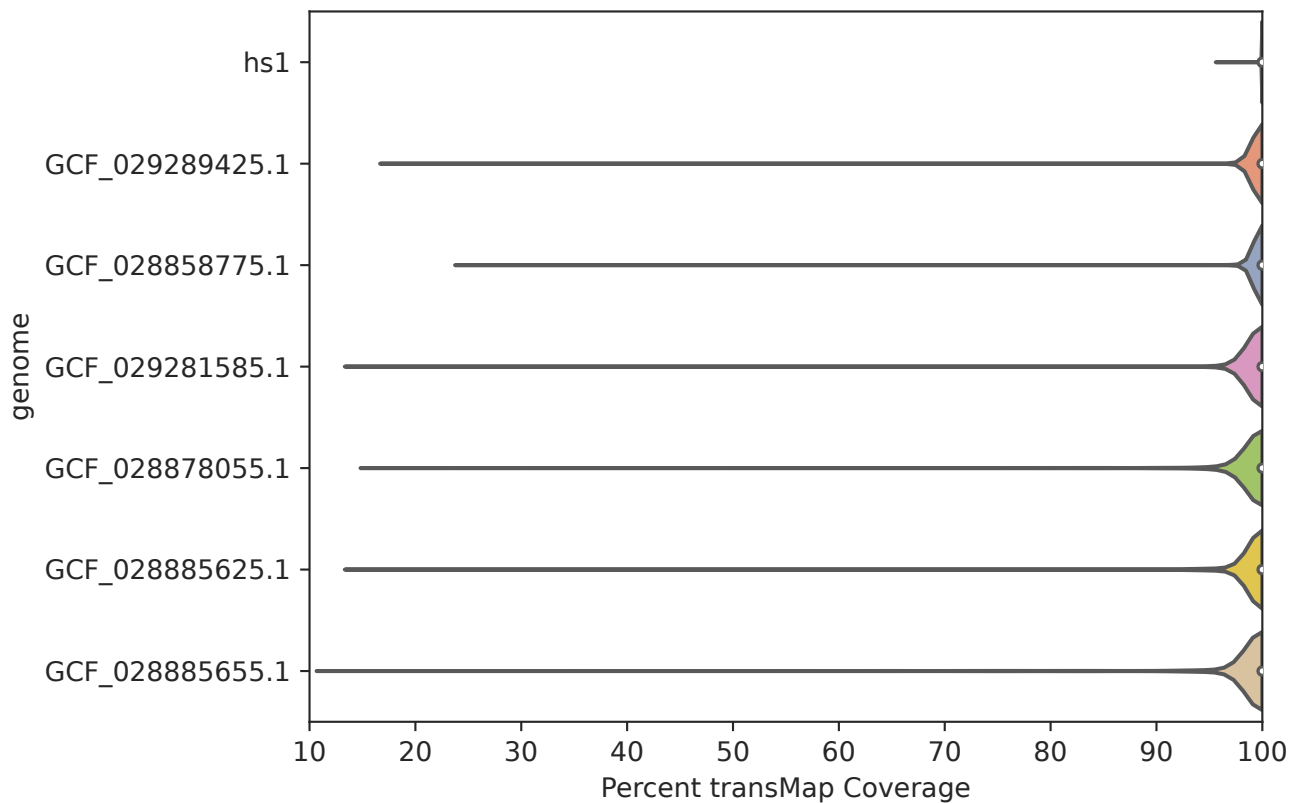

transMap Coverage for biotype artifact

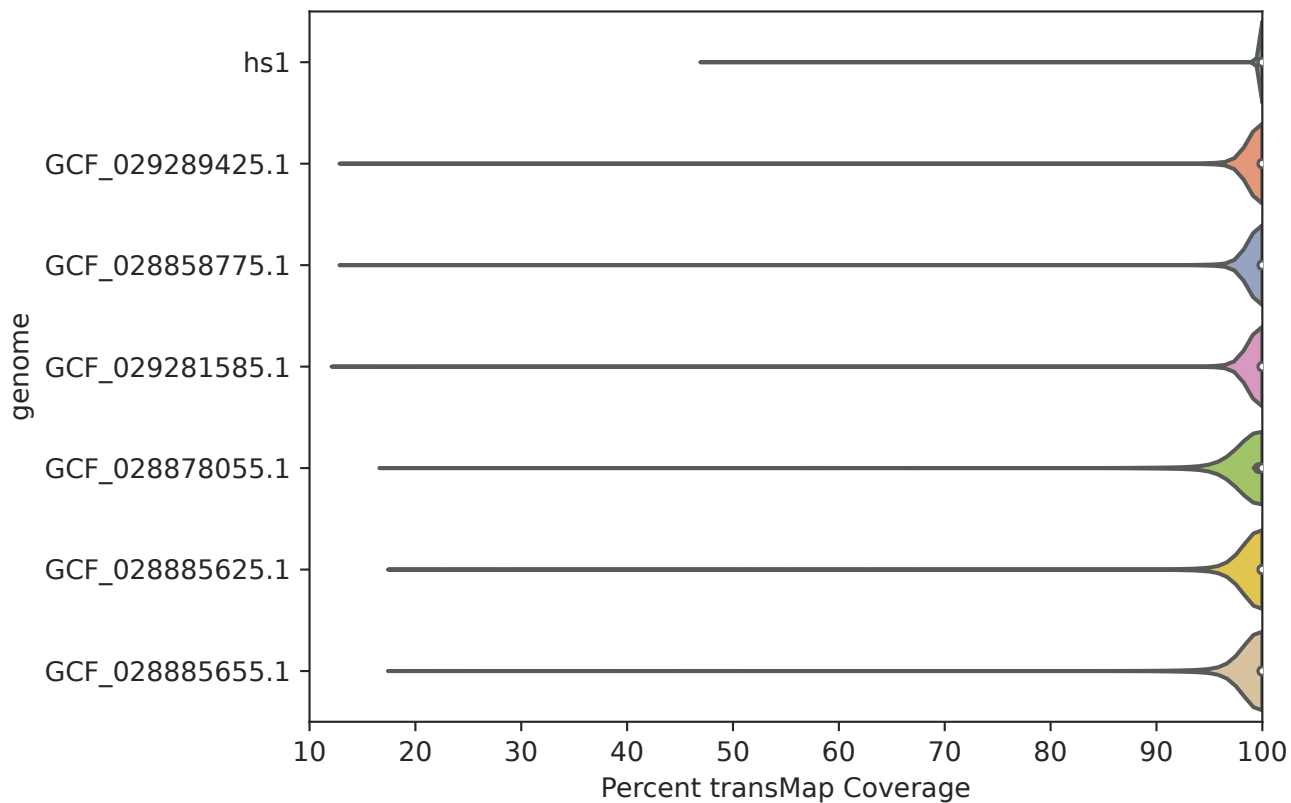

transMap Coverage for biotype lncRNA

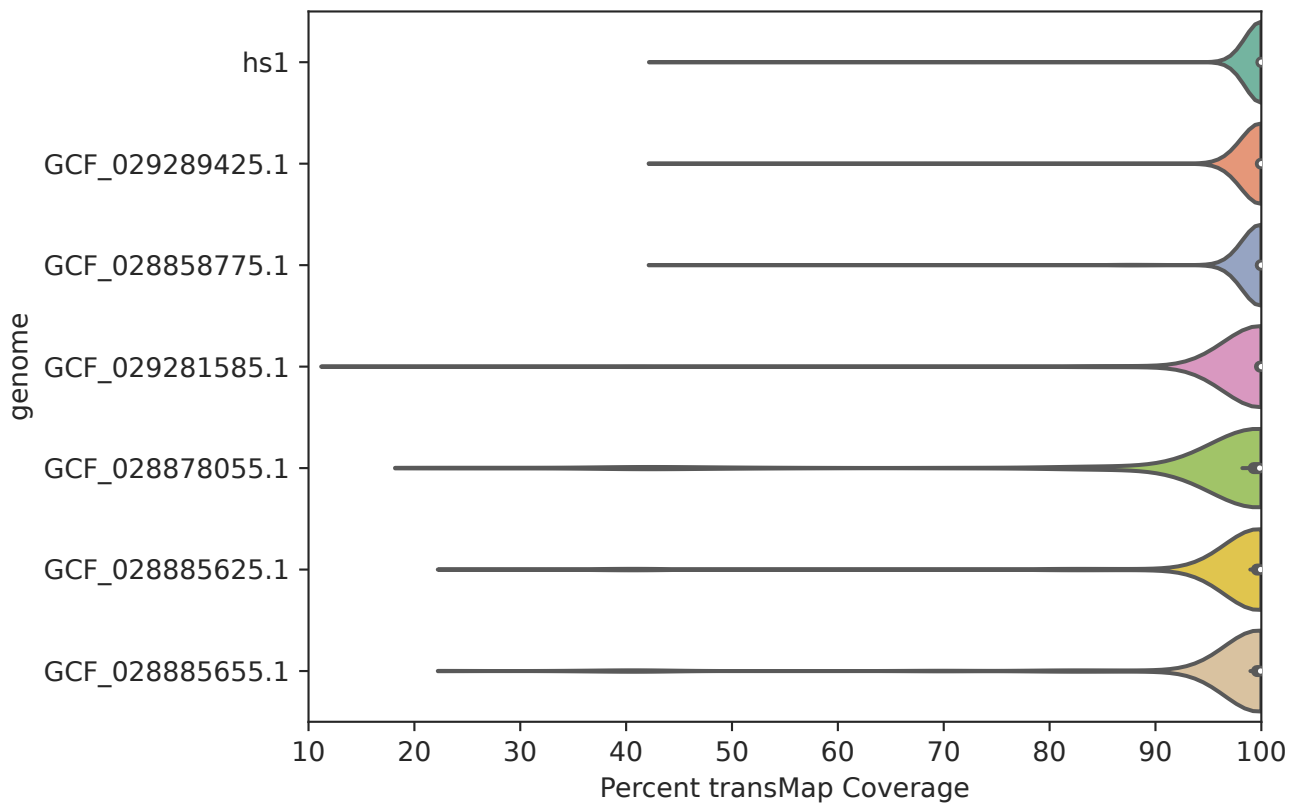

transMap Coverage for biotype miRNA

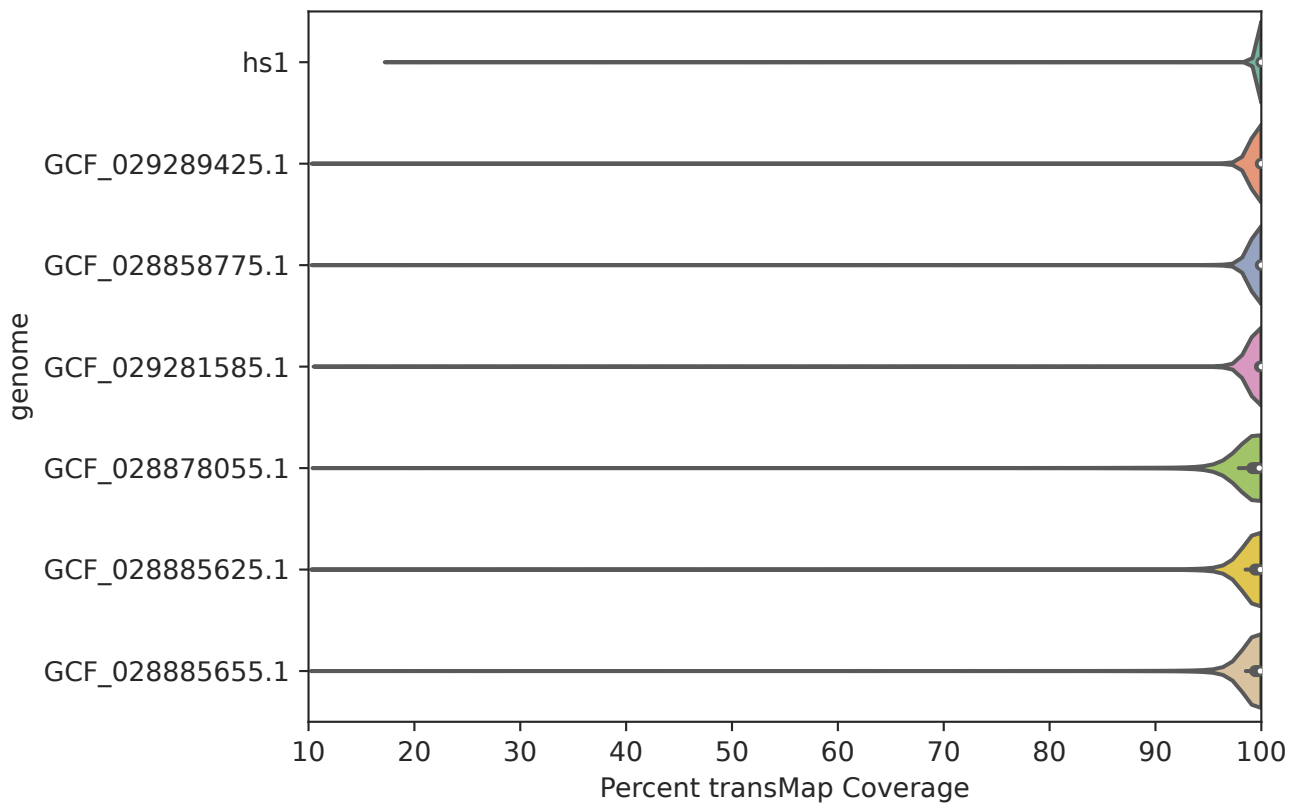

transMap Coverage for biotype misc_RNA

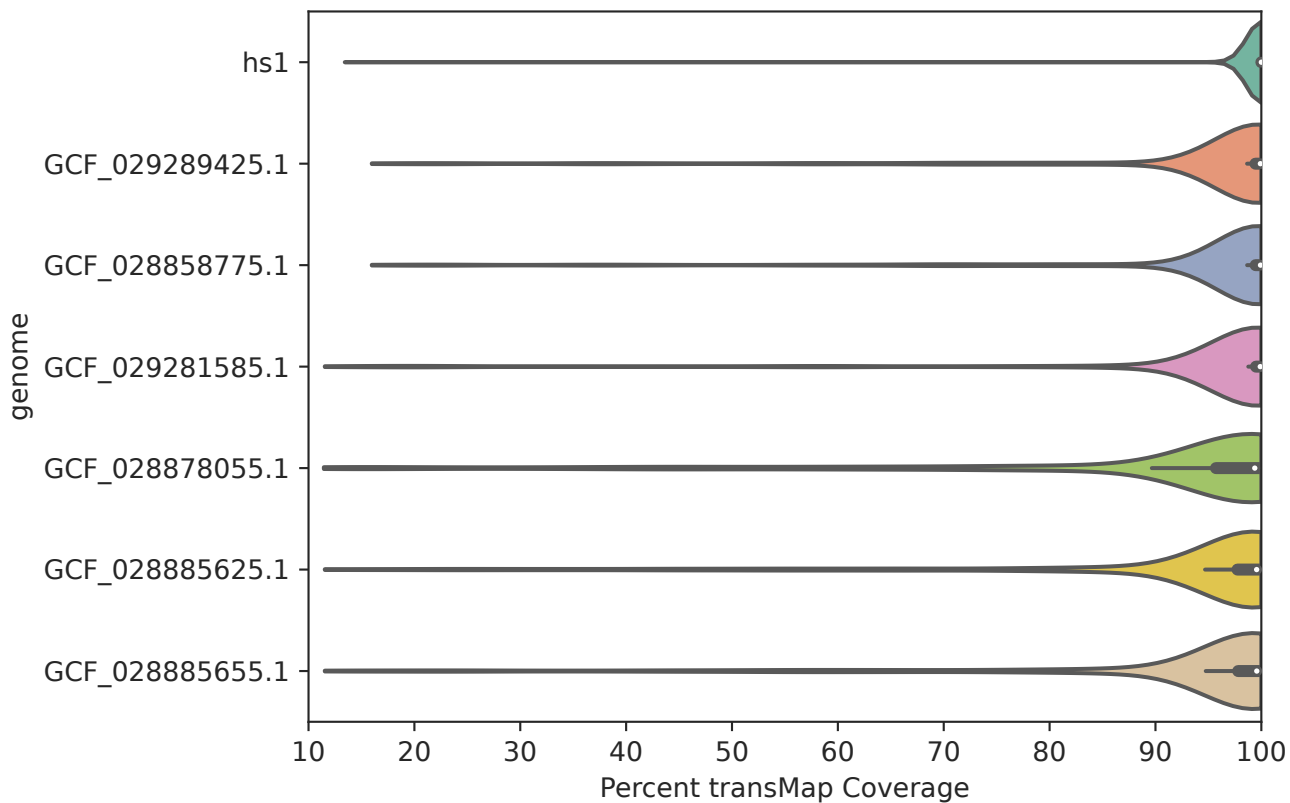

transMap Coverage for biotype nonsense_mediated_decay

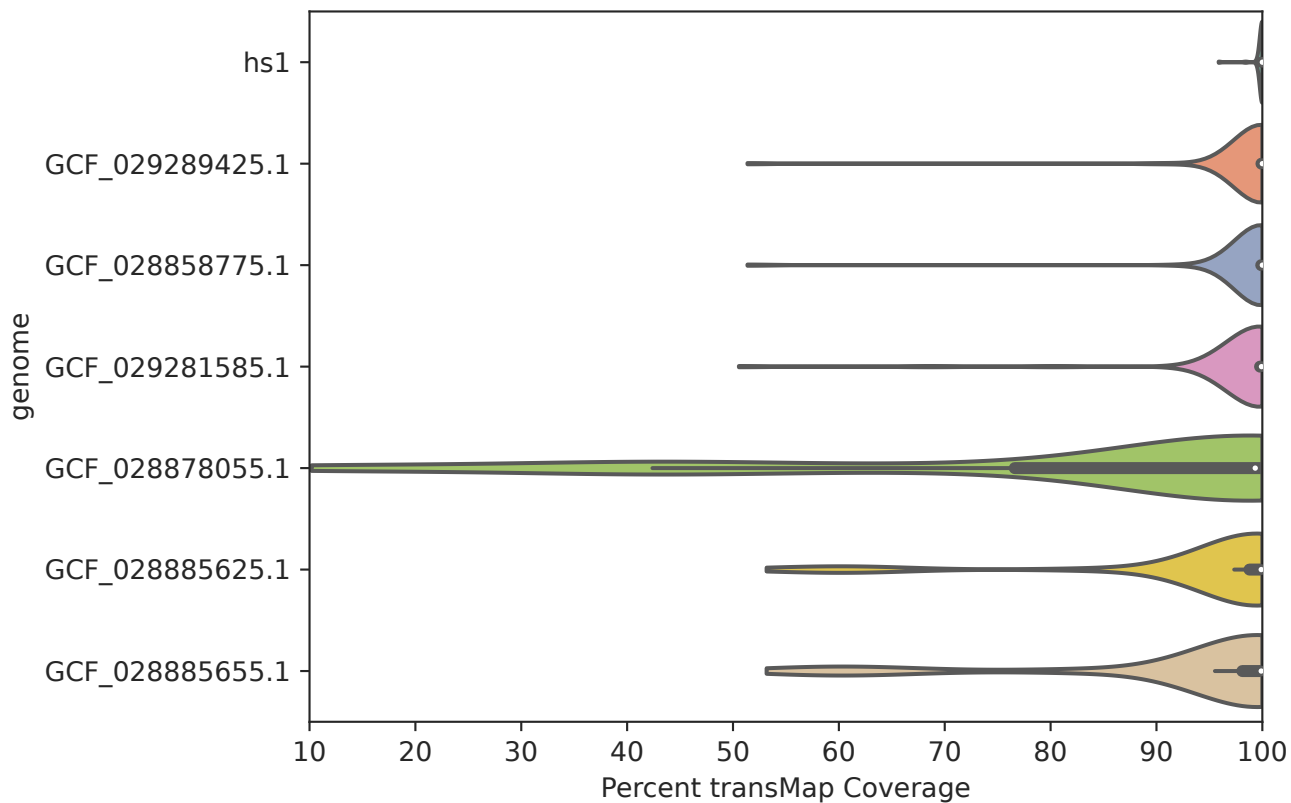

transMap Coverage for biotype processed_pseudogene

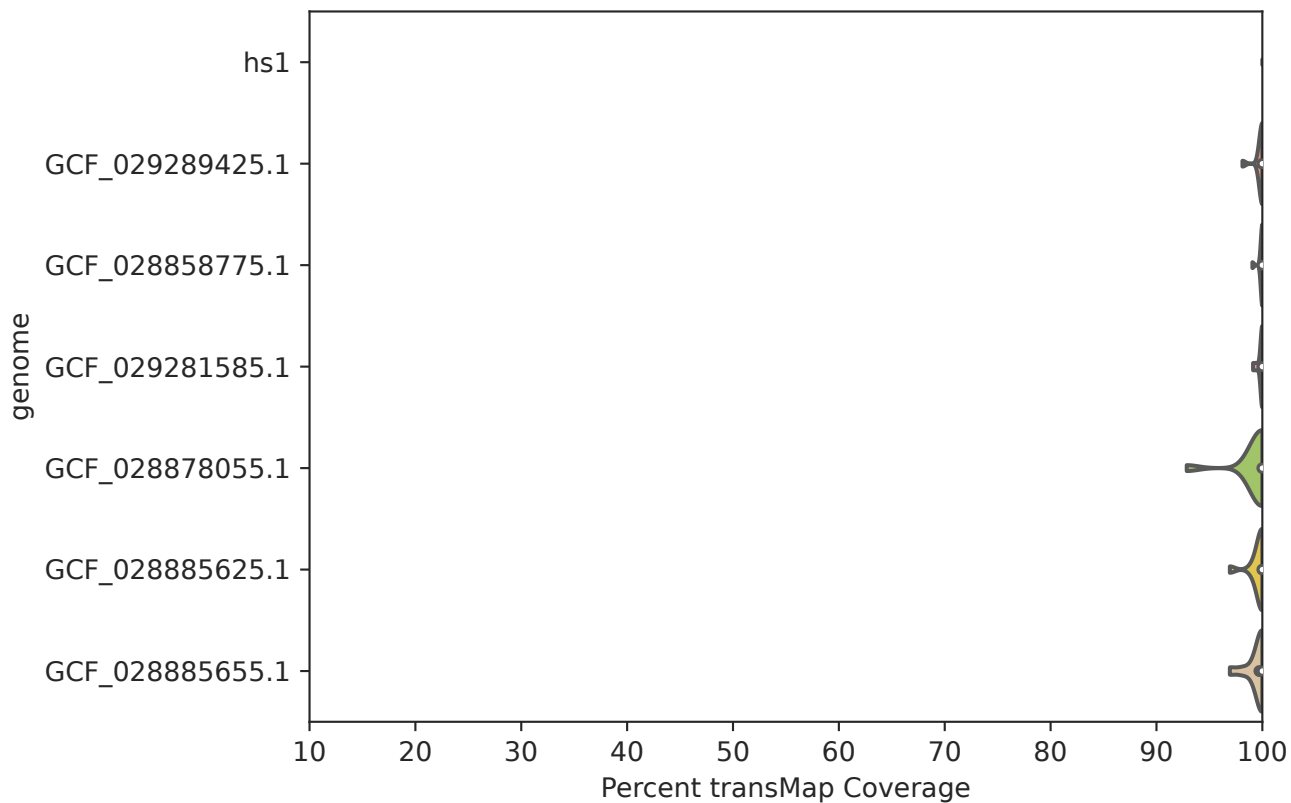

transMap Coverage for biotype processed_transcript

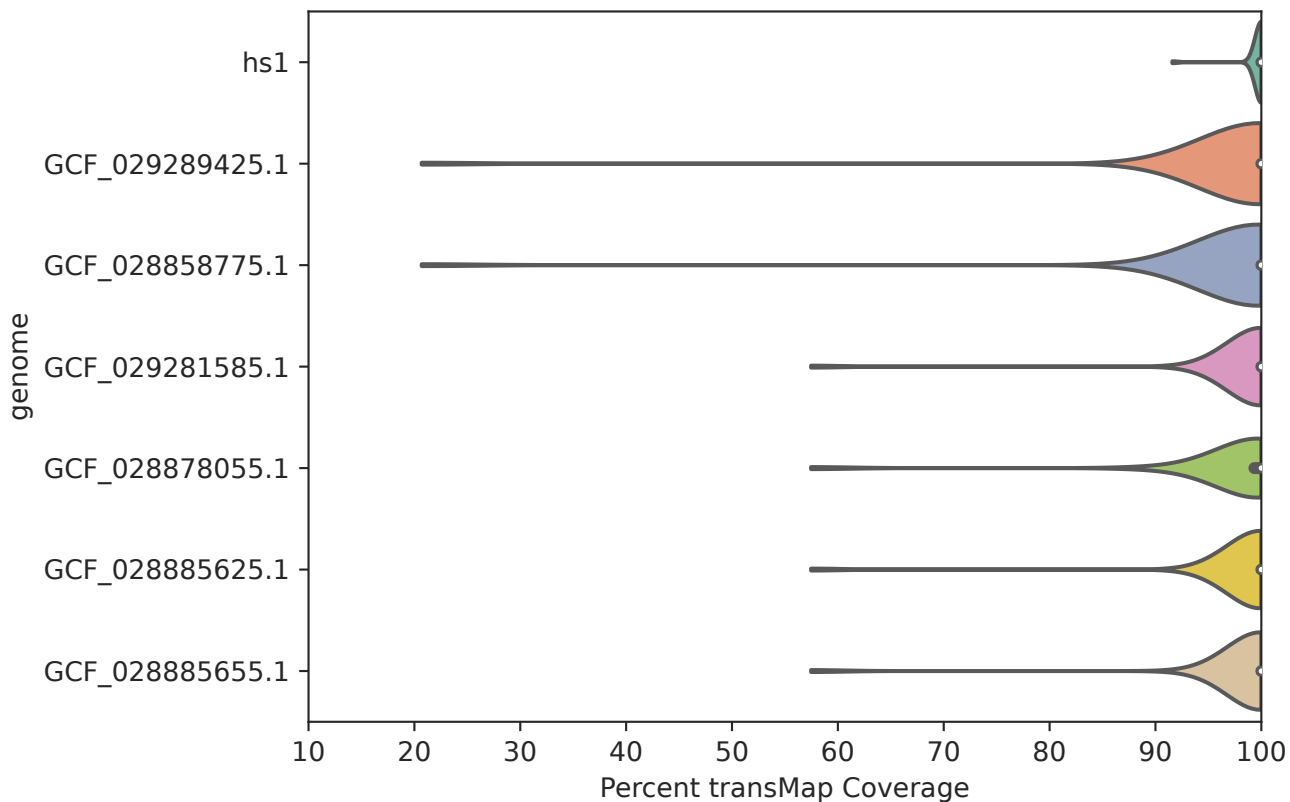

transMap Coverage for biotype protein_coding_LoF

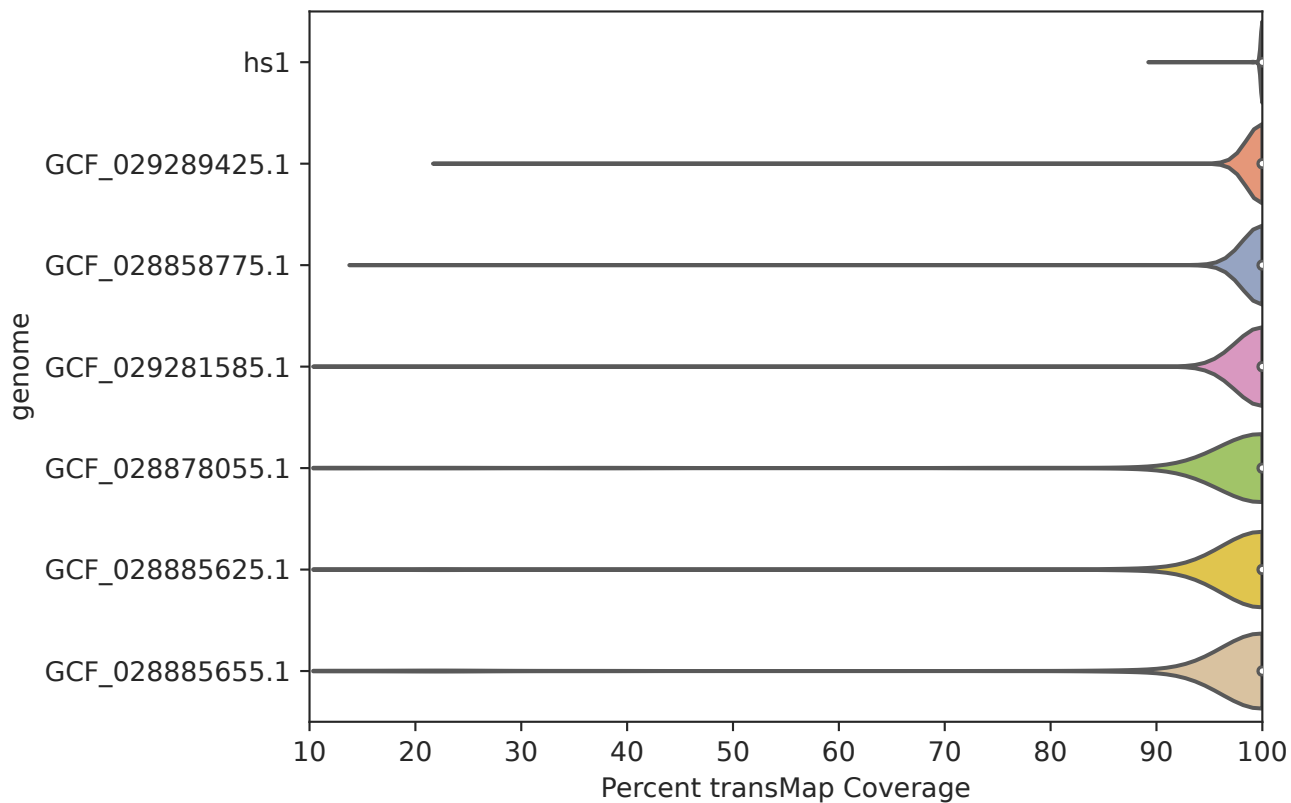

transMap Coverage for biotype pseudogene

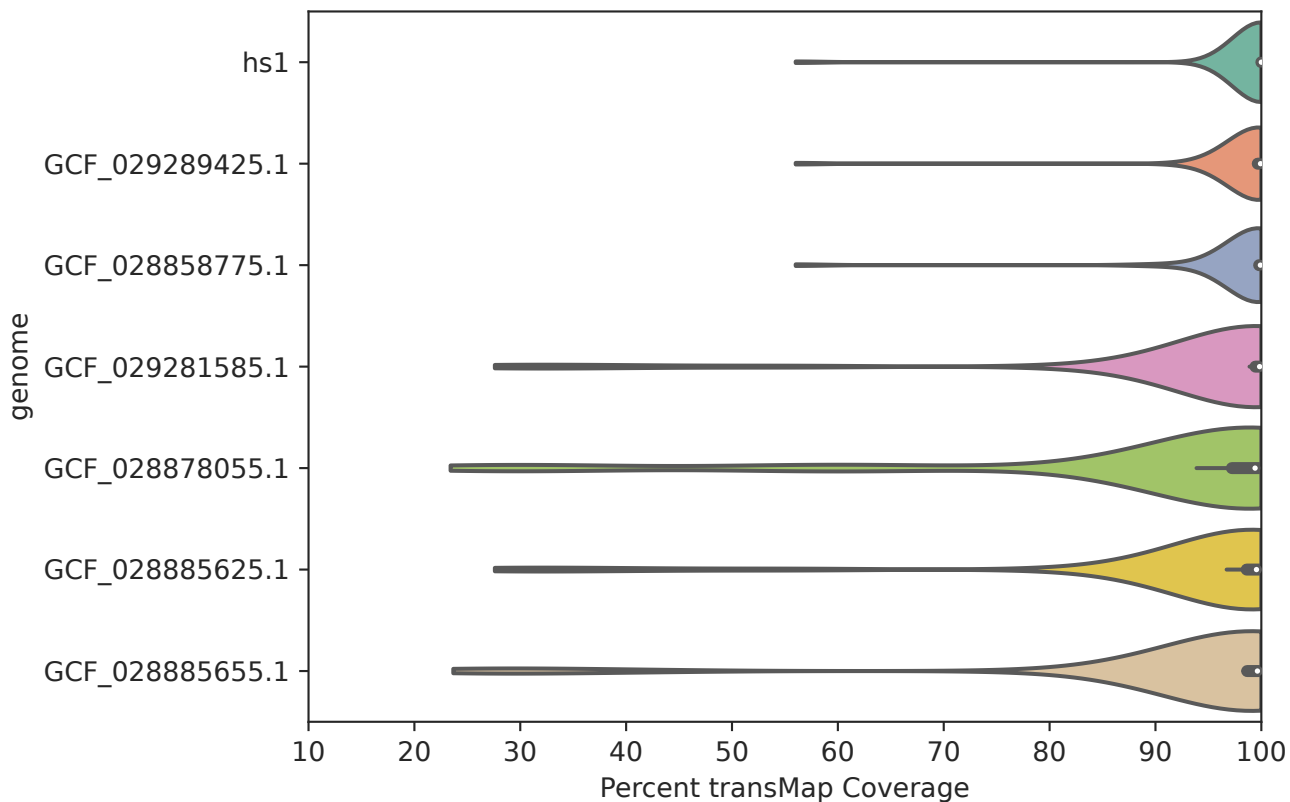

transMap Coverage for biotype rRNA

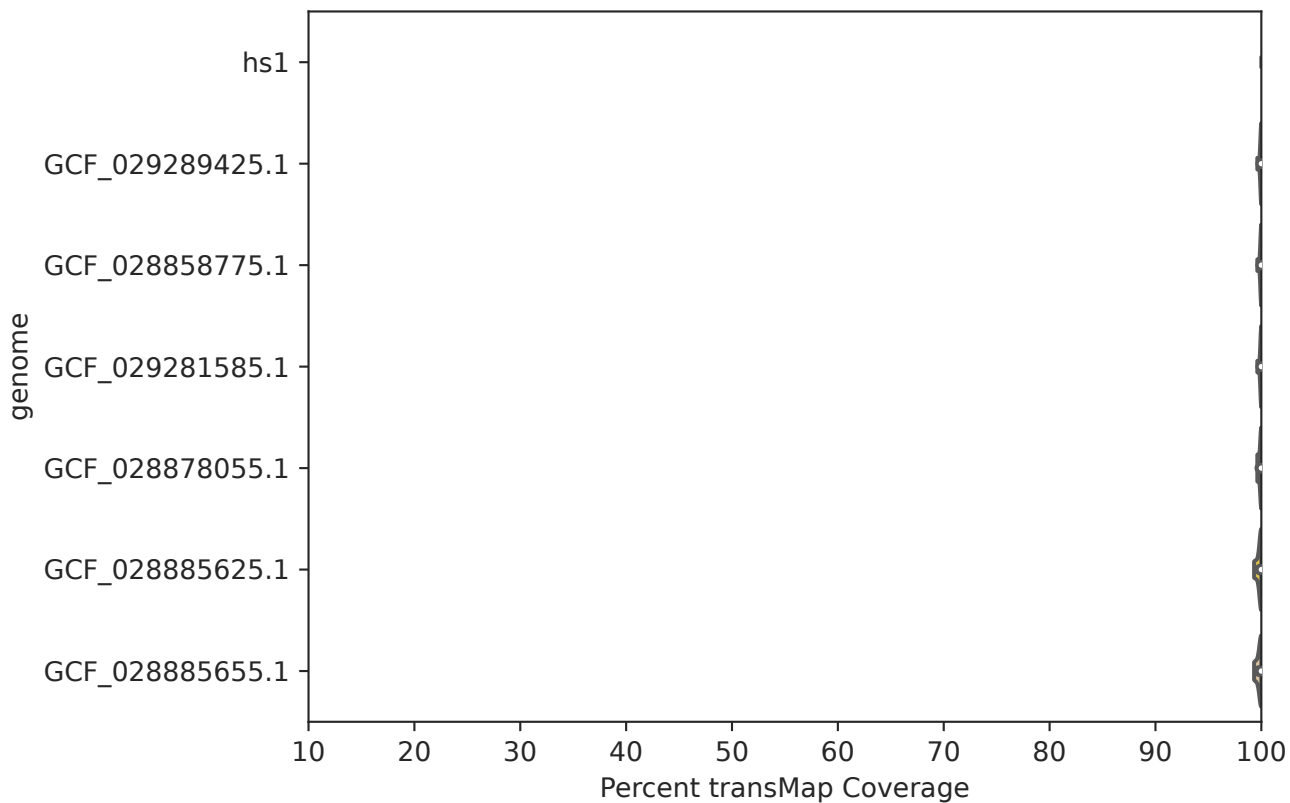

transMap Coverage for biotype rRNA_pseudogene

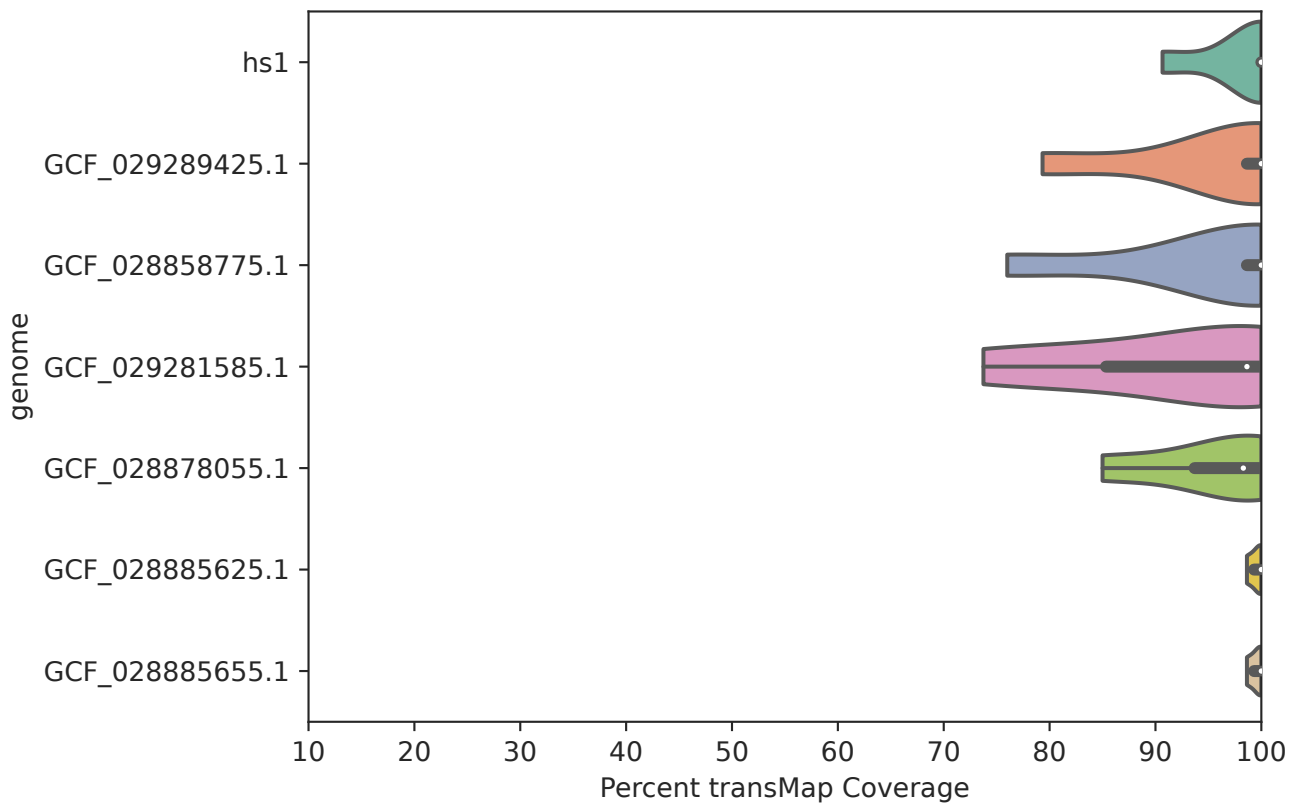

transMap Coverage for biotype retained_intron

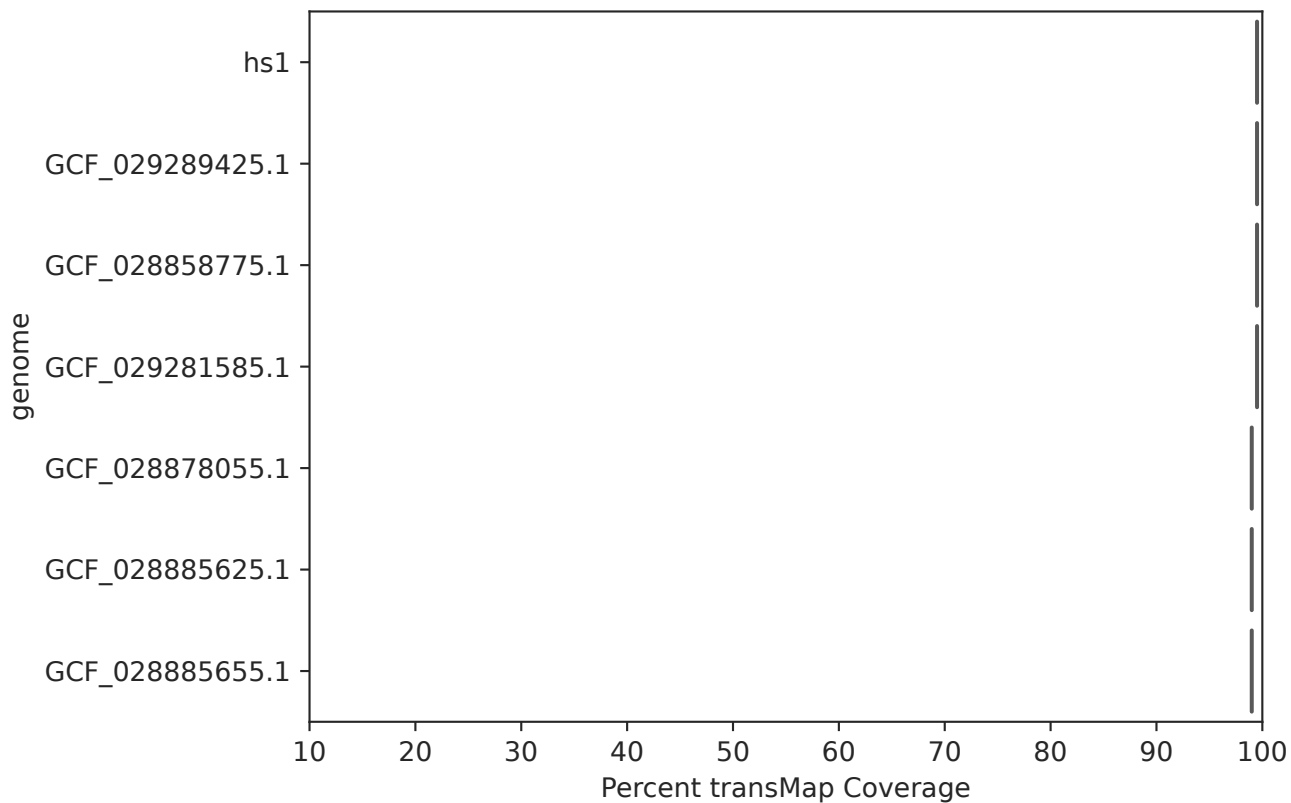

transMap Coverage for biotype ribozyme

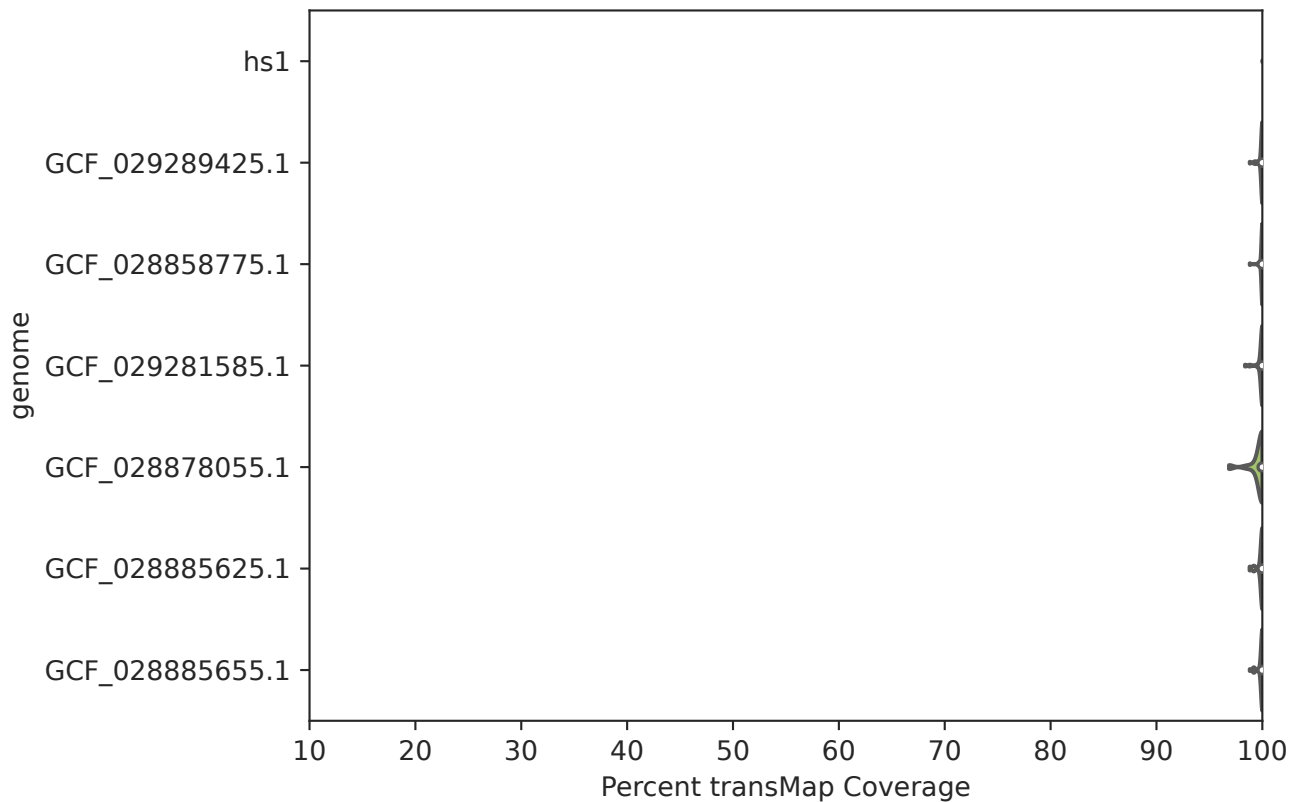

transMap Coverage for biotype sRNA

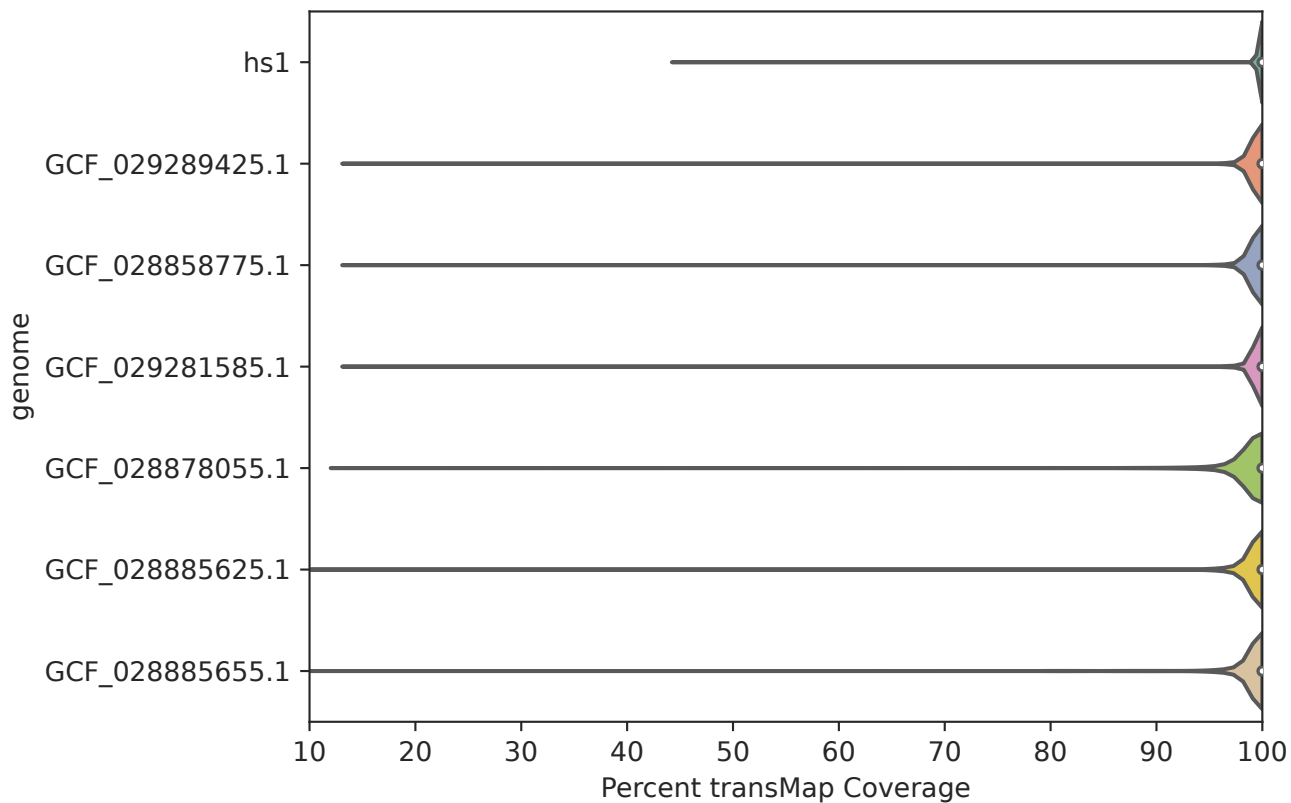

transMap Coverage for biotype scRNA

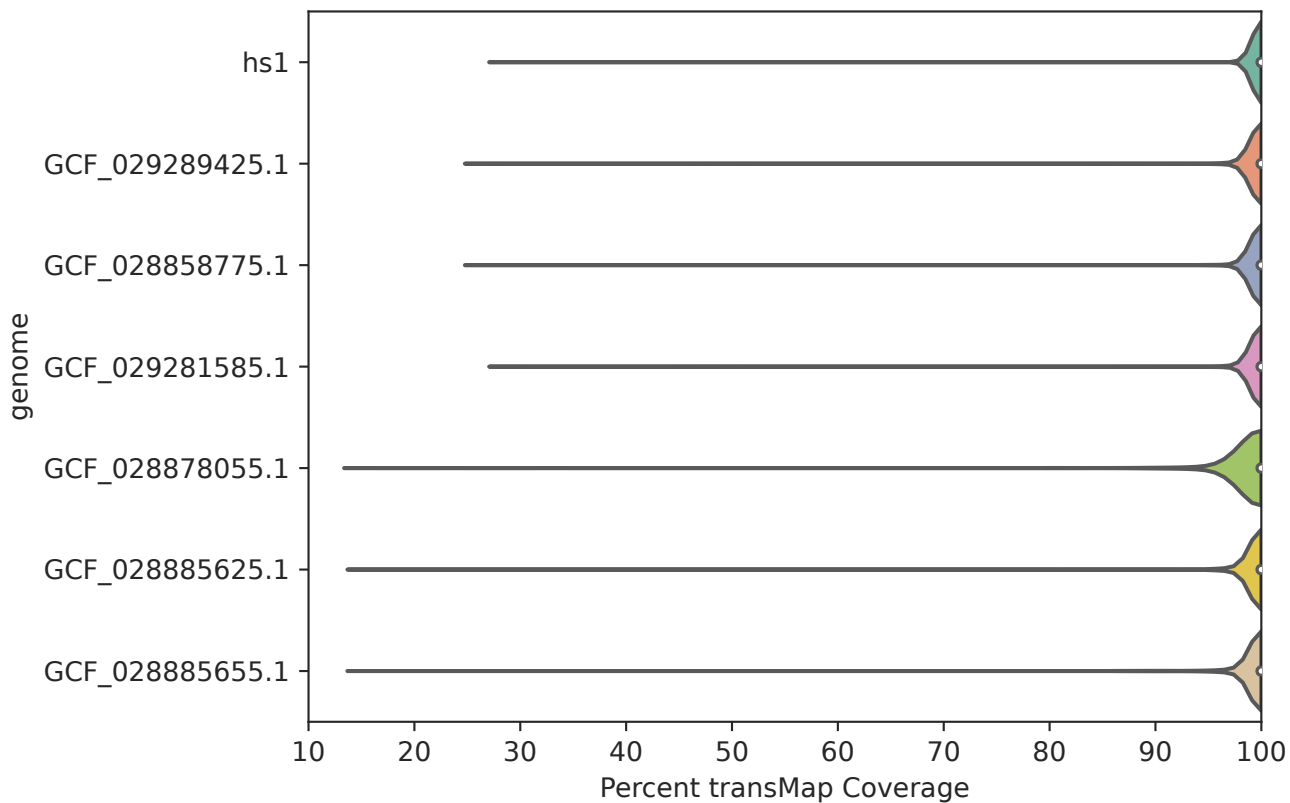

transMap Coverage for biotype scaRNA

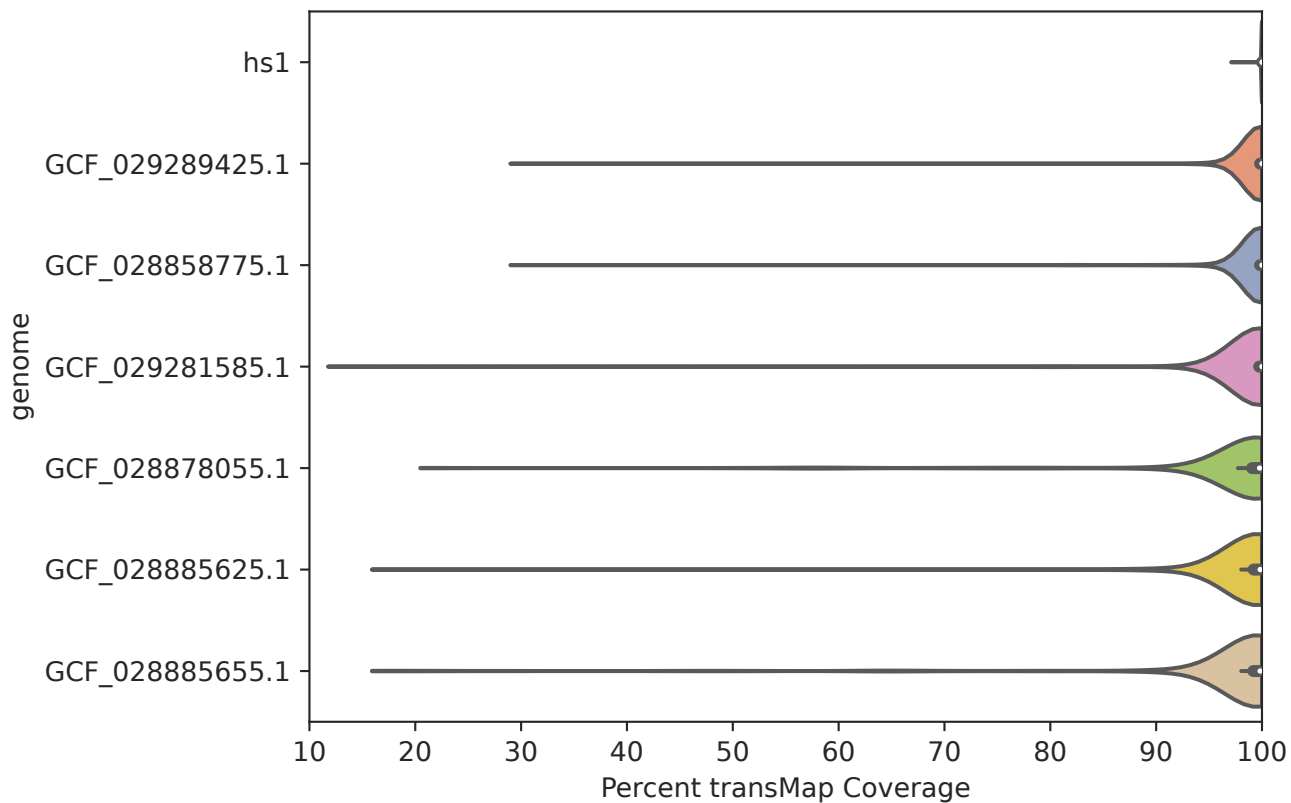

transMap Coverage for biotype snRNA

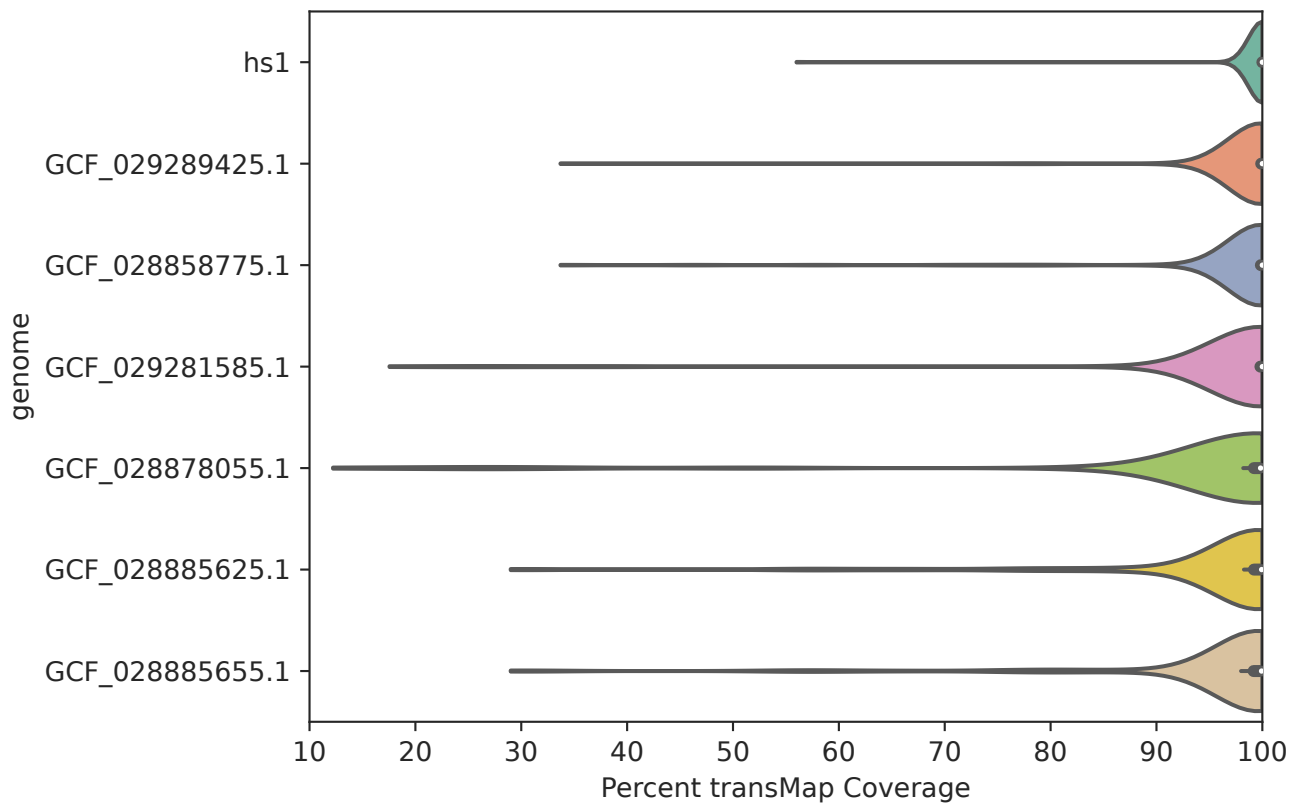

transMap Coverage for biotype snoRNA

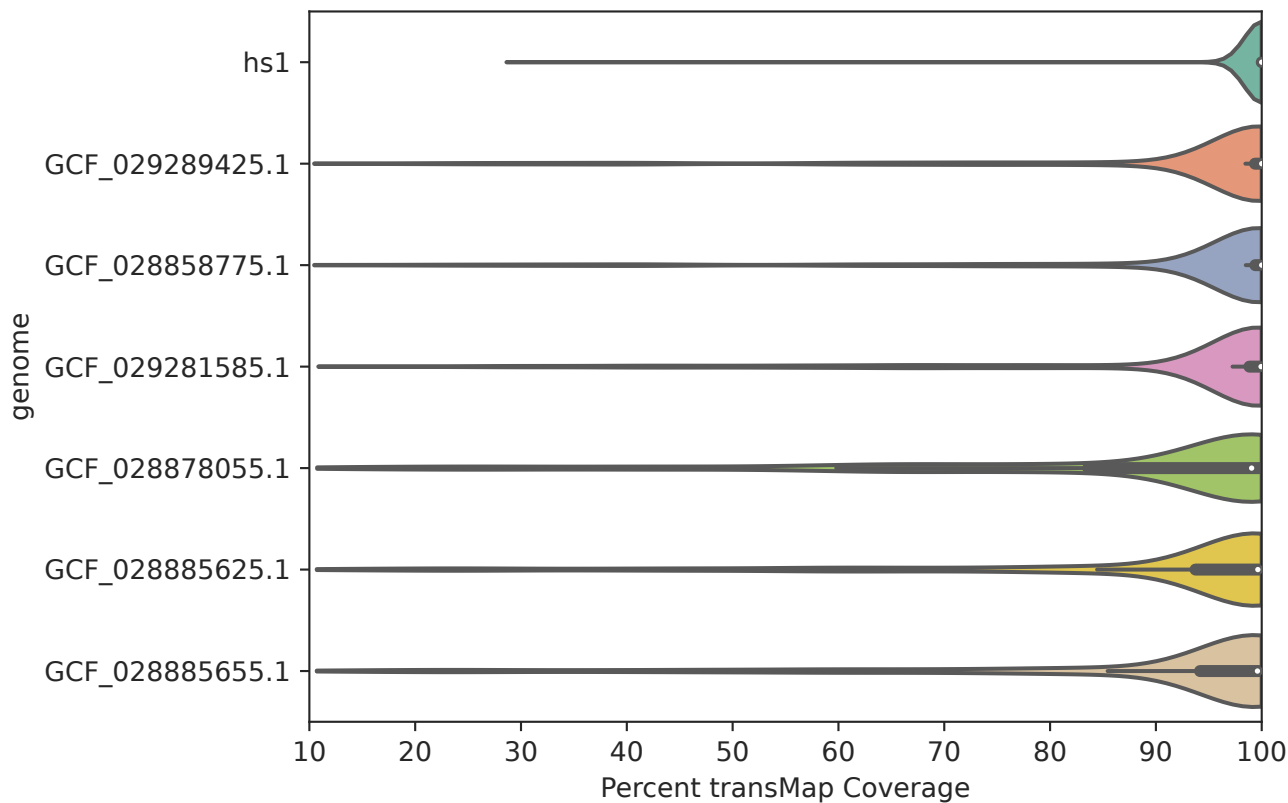

transMap Coverage for biotype transcribed_pseudogene

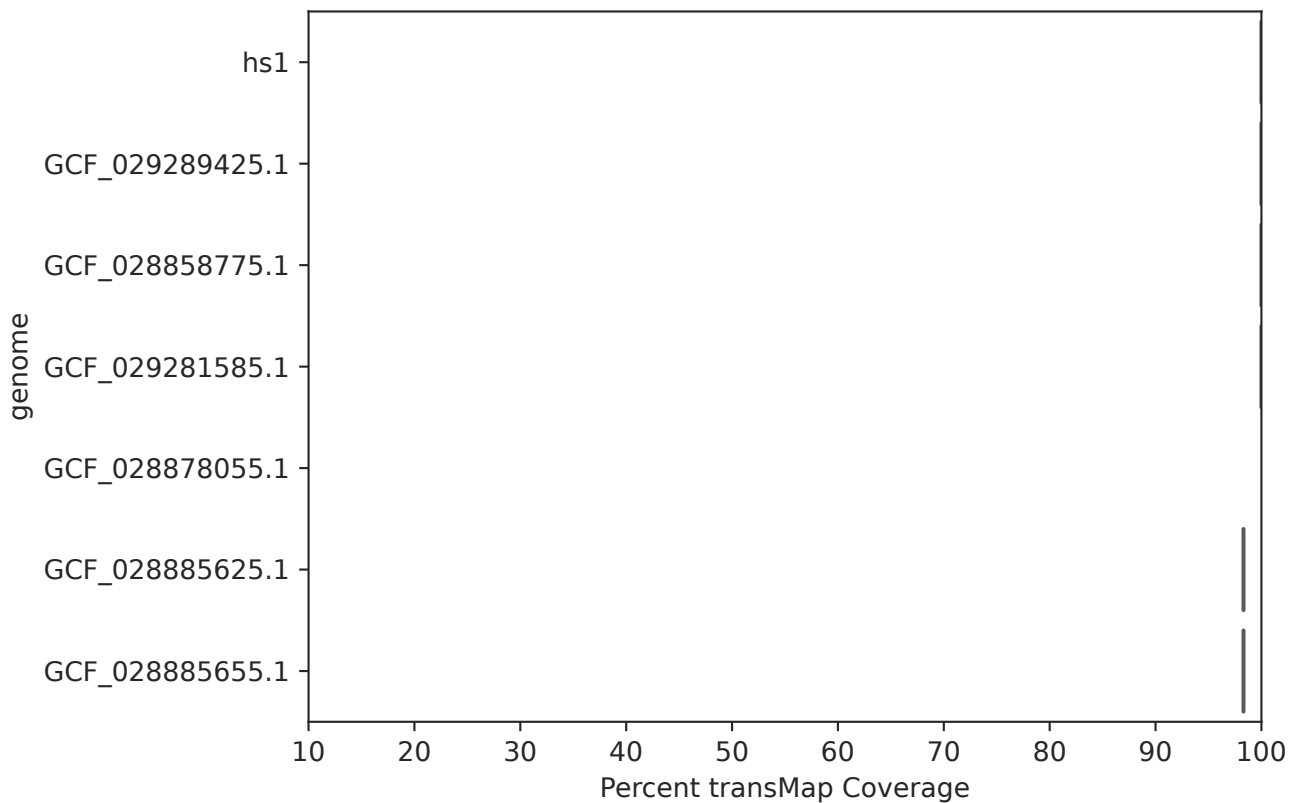

transMap Coverage for biotype transcribed_unitary_pseudogene

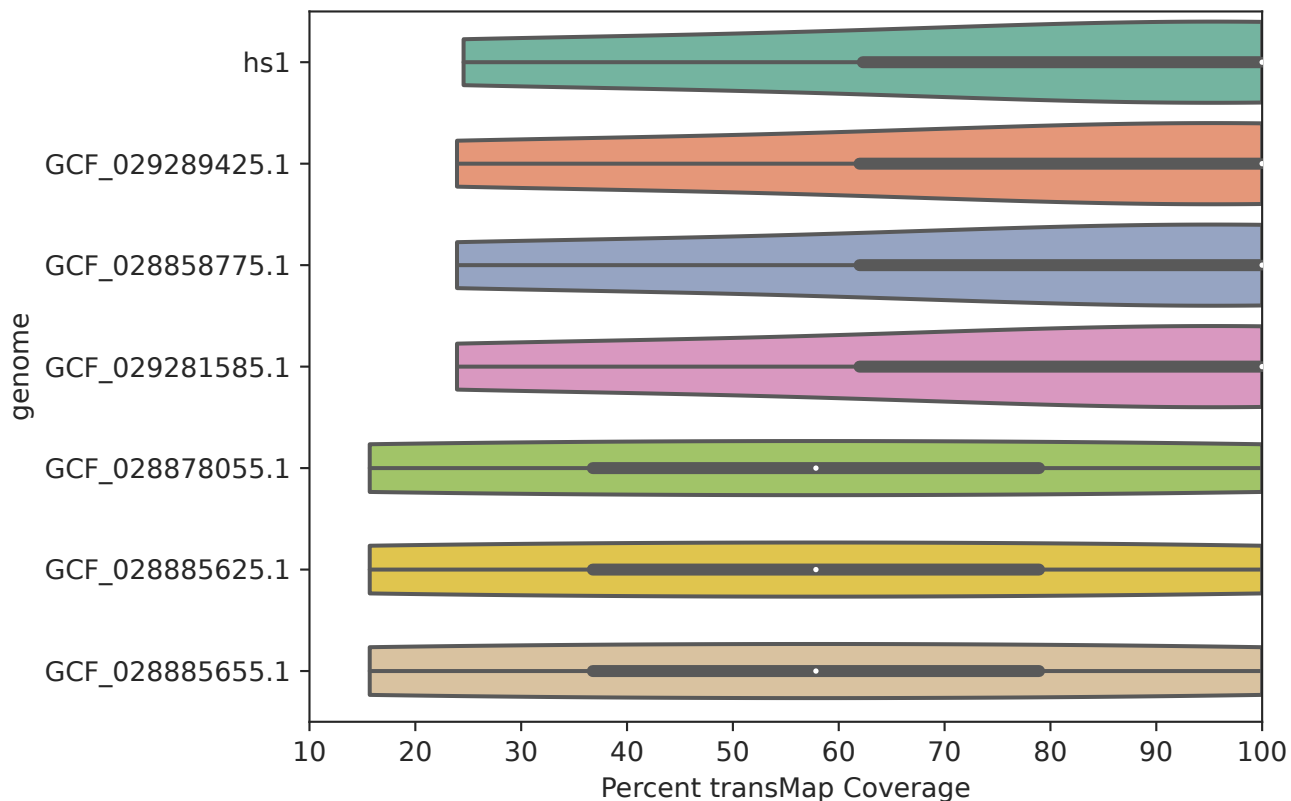

transMap Coverage for biotype transcribed_unprocessed_pseudogene

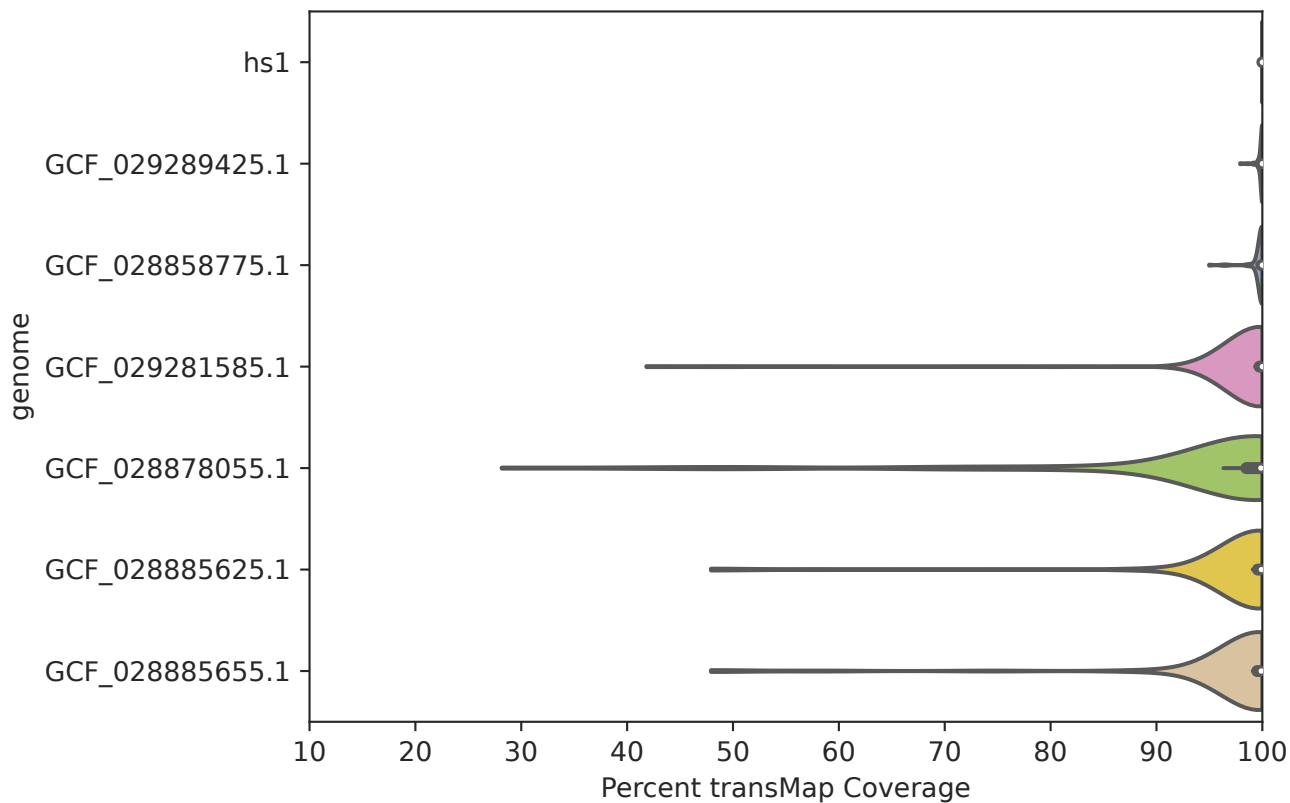

transMap Coverage for biotype translated_pseudogene

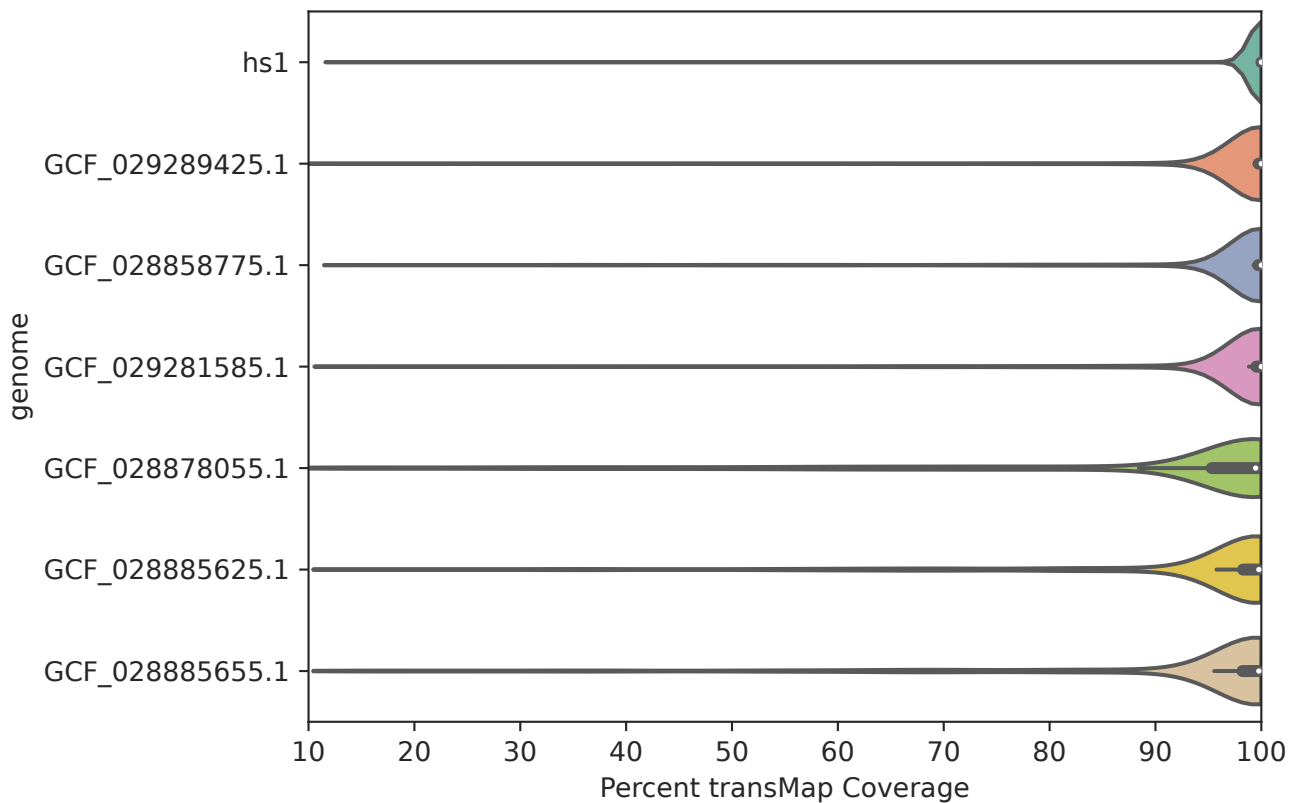

transMap Coverage for biotype translated_unprocessed_pseudogene

transMap Coverage for biotype unitary_pseudogene

transMap Coverage for biotype unprocessed_pseudogene

transMap Coverage for biotype vault_RNA
